R 5100	PH-1/S-5	Hexagon 5mm	100 mm	₹122 .00
R 5150	PH-1/S-5	Hexagon 5mm	150 mm	₹140 .00

D.10 : 2 in 1 Reversible Screw Driver with Hexagon Rod and Extra Hard Tips (4mm Hex)

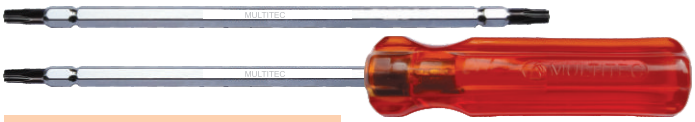
Features : • 2 in 1 Screw Driver one side Phillip No.0; other side Minus 3. • Screw Driver bit made of high grade Alloy Steel, hardened for long working life. • Hexagon Shaft Screw Driver bit for turning with a spanner, to open extra tight screws. • Available in projected lengths of 75mm.

Standard Qty. 200 pcs. each item

Model No.	Tip Size	Shank Size	Projected Length of Bit	M.R.P. per Piece
R 4075	PH-0/S-3	Hexagon 4mm	75 mm	₹114.00

D.11 : Double side TORX Screw Driver in Hexagon Rod and Extra Hard Tips

Features : • Two TORX Heads same Tip size in one screw driver tool for better economy. • **Two Screw Drivers at the cost of one.** • Screw Driver bit made of high grade Alloy Steel, hardened for long working life. • TORX Heads machined as per International Standards • Available in projected lengths of 75mm and 150mm.



Standard Qty. 200 pcs. each item

SECTION (D) : STUBBY SCREW DRIVER (6mm HEX)

HSN Code : 82054000

D.12 : Model No. STB - 110
2 in 1 Reversible Stubby Screw Driver

Features: • 2 in 1 Screw driver one side minus other side Phillips No.2. • Screw driver bit made of high grade alloy steel, hardened for long life. • STUBBY short screw driver handle made of transparent engineering plastic for strength & rigidity. • Quick charge metallic collet embedded within handle for first and easy reversing of screw driver bit.

Standard Qty. 200 pcs. each item

Model No.	Tip Size	Hexagon Rod Size	Projected Length of Bit	M.R.P. per Piece
STB-110	PH-2/S-6	Hexagon 6mm	35 mm	₹118 .00

D.13 : Model No. TSTB - 220
4 in 1 T-Oriented Stubby Screw Driver

Features: • Unique compact design, first time in world to offer T-orientation in a stubby screw driver. • Four screw drivers in one tool offers better value for money and more convenience for the user. Offers: a). two way reversible screw driver (Fixed). PH2 - Minus 6 b). two way reversible screw driver (Reversible). PH2 - Minus 6 • T-orientation offers better leverage to the user to apply more torque with less efforts, thereby taking care of the limitation of small handle issues to open/fasten tight screws. • Tough grade engineering plastic used for durability and long life. • Screw driver tips are made of high grade alloy steel hardened & carefully treated for long life.

Standard Qty. 200 pcs. each item

Model No.	Tip Size	Hexagon Rod Size	Projected Length of Bit	M.R.P. per Piece
TSTB-220	PH-2/S-6	Hexagon 6mm	35 mm	₹142 .00

D.14 : Model No. STB - 330
6 in 1 Multibit Stubby Reversible Screw Driver Set

Features: **1.** 6 Assorted screw driver bit made of high grade alloy steel, hardened for long life. 2. STUBBY short screw driver handle made of transparent engineering plastic for strength & rigidity. **3.** Quick charge metallic collet embedded within handle for first and easy reversing of screw driver bit. **4.** Plastic Rack/Jacket to hold the tool set together. **5.** Useful tools for all Engineers/Professional & hobbyist.

₹ 230/- per set

Standard Qty. 200 pcs. each item

Ph2 ↔ S6 Ph1 ↔ S5 Ph0 ↔ S3

SECTION (E) : POCKET LINE TESTER

Model No. MT - 100 (POCKET LINE TESTER)

Features: 1. Tester made of high grade transparent engineering plastic for good transparency toughness and high electrical insulation. 2. Unique neon bulb tester modular assemble concept. 3. High quality brass nut for good electrical conductivity for earthing that helps in good neon bulb brightness. 4. Tester screw driver tip made of 3mm Hexagon shaft and high grade alloy steel, duly hardened for long working life. 5. Bigger dimensions of the tester tool and splines design for better grip in the hands of the electricians.

Standard Qty. 200 pcs. each item

HSN Code : 82054000

Model No.	Tip Size	Voltage Detection Range	M.R.P. per Piece
MT - 100	3mm Hex X 0.5 mm	0-500 Volt	₹ 100.00

SECTION (F) : SCREW DRIVER KITS

Model No. SDK-777 i C
6 Multicolour Insulated Screw Driver Bits +1 Poker + Handle with Voltage Detector

₹ 330/- per set

Features : 1. Screw driver kit made of transparent plastic box for better aesthetics & good internal visibility. 2. Transparent handle made of engineering plastic with tester / voltage detector. 3. 7 Screw driver bit (6 multicolour insulated screw driver bits + 1 poker). 4. Multicolour Insulated bits for quick access to respective screw driver bit. Also gives colourful appearance to the work place. 5. Screw driver bits are moulded on with plastic to give electrical insulation & protection to the worker from electric shock.

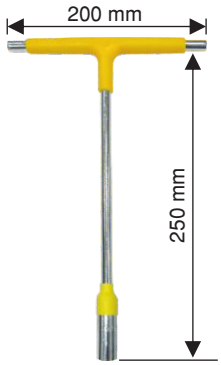
Standard Qty. 100 pcs. each item

HSN Code : 82054000

SECTION (G) : T - SOCKET WRENCH

T - Socket Wrench (High Torque)
Multitec TSK Series

Features : •Cold forged Hex Sockets made of high grade alloy steel, hardened for long life. • Multicoloured T-Handle for quick identification of Hex Size. • Wide dimensions of T-arm for better leverage. • Mechanized inert gas shield welding for strong weld joints. • Nickel-chrome plated. • Plastic moulding handle.



HSN Code : 82041120

Standard Qty. 50 pcs. each item

Model No.	Qty per Box	M.R.P. per Piece

SECTION (H) : MAGNETIC WRIST BAND

MAGNETIC WRIST BAND

HSN Code : 85051900

Features : • This magnetic wrist band offers convenience to technicians, mechanics, carpenters, plumbers, electricians during working where by they can attach the nuts, bolts screws & light weight instruments made of steel and prevent their falling off.

Model No. MWB-9

10" long magnetic wrist band with 9 powerful magnets.

₹ 350/- per piece

Model No. MWB-15

Unique Magnetic Wrist Band one foot long with 15 powerful magnets.

₹ 450/- per piece

MULTITEC®

Price List
Effective from 01.05.2026

SECTION (I): MAGNETIZER-BOOSTER

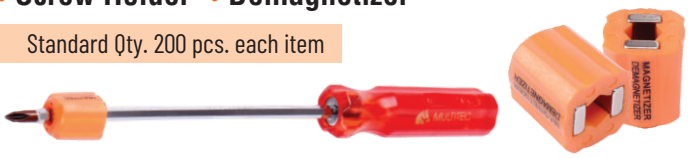
Model No. MBD - 100

HSN Code : 82055990

3 in 1 : • Magnetizer-Booster • Screw Holder • Demagnetizer

₹ 100/- each

Standard Qty. 200 pcs. each item



Features : • EASY TO USE: Allows you to magnetize screw driver and bits upto maximum diameter of 7mm. Just insert the screw driver into the magnetizer hole and full in out. • STAY MAGNETIZED LONGER : The powerful rare earth magnet keeps the magnetizer in your screw driver & bits for a longer time than regular magnetizers. • 3 IN 1 FUNCTION : 1. Magnetizer & Magnetic Booster 2. Demagnetizer 3. Screw Holder.

SECTION (K) : MULTIANGLE WELDING CLAMPS

MULTIANGLE WELDING CLAMPS

HSN Code : 94039000

Features : • Designed for holding work pieces when soldering or welding. One Touch One Suction Fixed Welding. It not only guarantees safety but also improves efficiency. • Holding angles: 45°, 90°, 135°: Multi-Angle Tack Welding. Permanent Suction / Precise Positioning / Small and Portable / Various Angles. • Holding force: 4.5KG.

3 Pcs. set MRP ₹550.00

Standard Qty. 20 pcs. each item

WMCL - 01	₹200.00
WMCL - 02	₹190.00
WMCL - 03	₹160.00

SECTION (M) : KNIFE CUTTER

HSN Code : 82089010

Model No. CK - 18

₹ 60/- each

18 mm Side Lock Snap Off Cutter Knife

Features : 1. Light weight functional Cutter Knife. 2.Body made of hard Engineering Plastic for smooth functioning & toughness. 3.Cutter blade made of Japanese Standard high grade steel & hardened for long life.

Model No. CK - 18 (MTL)

₹ 230/- each

MULTI-UTILITY TOOL
(Cutter-Scale-Screw Driver-Bottle Opener-Multi Wrench)

Features : • Unique multipurpose tool make of steel, duly hardened for long working life. • Multitool consists of utility Cutter Knife with position locking nut. • Knife Blade made of high grade SK-2 steel for long working life. • Slotted Screw Driver and Lid pry opener at the front end. • Bottle Opener. • Multi wrench holes. • Scale - Ruller.

SECTION (J) : MULTIPURPOSE MAGNETIC STRIPHOLDER

MULTIPURPOSE MAGNETIC STRIPHOLDER

For Hanging Tools, Kitchen Knives, Scissors Key etc.

MS - 18 (Inches)	₹ 400.00

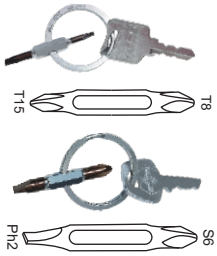
SECTION (L) : MULTIPURPOSE ITMES

HSN Code : 82054000

Model No. KR 6045

Keyring with 2 in 1 Reversible Screw Driver Bit

₹ 50/- each



Features : • Multipurpose Key ring for holding keys upto 6 pcs along with a 2 in 1 Reversible Torx Screw Driver Bit for normal / emergency use. • Most commonly used Screw Driver heads Ph2 & S6. • Quick Reversing and ideal for working in short/small spaces. • Available in other Screw Driver heads on demand.

SECTION (N): TECHNICIAN TOOL KIT BAG New

Features : 1. Tool Kit Bags are simple designed, to suit the challenges of the technicians, who work or carry out installations, repairs and maintained of machinery and equipments in the field. 2. Made of high strength Tetron fiber fabric, water resistant to withstand weight and tolerate the stains of travel & mishandling. 3. Ideal for Indian technicians such as Electricians, Carpenter's Refrigeration Engineers, Plumbers and also can be kept in households as a Domestic tool kit for minor repair & maintenance. 4. Available in two Sizes Depending on application technical requirement.
