SHIV SHAKTI HYDRAULIC & EARTH MOVERS

To provide a professional summary for **Shiv Shakti Hydraulic & Earth Movers**, here is a structured "About Us" section that highlights both your specialized repair services and your machinery rental division.

About Shiv Shakti Hydraulic & Earth Movers

Established in **1987**, **Shiv Shakti Hydraulic & Earth Movers** (also known as Shiv Shakti Hydraulics Works) is a trusted leader in the hydraulic service industry. Based in **Ahmedabad, Gujarat**, we have dedicated nearly **40 years** for providing high-precision engineering solutions for heavy machinery.

Under the expert leadership of **Mr. Amit Patel** & Technical team we have involved into a one-stop service center for the construction, mining, and industrial sectors across India.

1. Specialized Repair Services.

We employ a **scientific approach** for repairing and testing hydraulic systems. Our workshop is equipped with a **Digital Testing Bench** to ensure every unit—whether Indian or imported—meets original performance standards (RPM, Flow, and Pressure) before delivery.

- **Pumps :** Experts in Axial Piston, Variable Piston, Gear, Vane, and Radial Piston Pumps.
- **Motors :** Specialist repair for Hydraulic Motors, Orbit Motors, and Close-Loop systems.
- **Valves :** Precision servicing of Hydraulic Control Valves and regulators.
- **Brands We Service :** Bosch Rexroth, Danfoss, Parker, Eaton, Vickers, Kawasaki, Linde, Casappa, Kawasaki, Bondioli & pavesi, and more.

2. Earth Moving Machinery on Rental Basis.

We support infrastructure and road construction projects by providing high-quality, project-ready machinery on flexible rental terms:

- **Soil Compactors** & **Tandem Rollers**
- **Motor Graders**
- **Excavators** & Backhoe Loader
- **Putzmeister** & Concrete Pumps

Why Choose our Company?

- **4 Decades of Experience:** Deep technical expertise since 1987.
- **Quality Spare Parts:** We supply parts equivalent to OEM metallurgy for long-lasting durability.
- **Minimal Downtime:** Fast turnaround and on-site technical troubleshooting service.
- **Customer Trust:** Verified reputation for integrity and transparent dealings.

With 100% Satisfaction of clients and with Testing in our Test Bench.
We can provide special Services as per Clients Requirement.

WE OFFER ALL TYPES OF EARTH MOVING MACHINERY ON RENTAL BASIS
