About us

* At the outset, we would like to introduce ourselves as on ISO 9001-2015 company engaged in manufacturing of Press Tools, Moulds, Gauges, Jigs & Fixtures, Pressed Components and Precision CNC Machined components. We are in the line of activity since 2006.

* The promoter of the unit Mr. Nagaraju D is an engineering graduate and had earlier worked for several MNC's Malaysia for six years. During this period, he had gained vast experience in the field in which the company is now engaged.

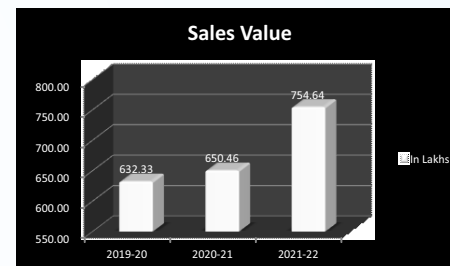

* Over the past 15 years, we have earned good reputation from our discerning industrial clients in and around Bangalore as a company which delivers quality products / workmanship and in time. Our team of dedicated engineers and technicians closely coordinates with our clients right from the drawing stage so that the products are perfect in all respects and delivered in time. With our excellent quality work and timely deliveries, we have been able to have a good and satisfied clientele base. In tune with our increasing clientele-base, our turnover has also grown substantially over the years.

Milestone

- ❑ 2006 - Company started with CNC WEDM machine, business focus – Job work & Tool elements
- ❑ 2009 – Complete Tool room facility was established to cater tool manufacturing business, an WEDM machine was added out – segment – Auto components
- ❑ 2013 – Entered into Press components manufacturing business by adding out Power press machines – segment added – Aero space, Oil & Gas
- ❑ 2015 – CNC turning and milling machines was added out and catered to precision turning and milling components, Added 3 more power presses and coil handling equipments to manufacture sheet metal press components – segment added - Transport and Defence
- ❑ 2015 – Purchased land in Peenya of 4000 Sqt and constructed industrial building
- ❑ 2016 – Company moved to own facility in Peenya with built up area of 8700 Sqt
- ❑ 2018 – Significant development in the business started as we started manufacturing parts for solar industry
- ❑ 2019 – Business diversified into FMCG components manufacturing with our own design and development – Dashboard freshener container, Scented candle container lid
- ❑ 2021 - Added Extended Facility of Electro Plating
