

RUDRA SOLAR ENERGY

PROUDLY MADE IN BHARAT

OUR HISTORY

Started in 2006 with Interest in Solar Thermal Products For Different Application And Usage In Industrial and Domestic market Specially For Green Sustainable Society

OUR VISION

To Become Global Leader In Innovation, Research, Development And Manufacturing Of Solar Thermal Products For Society's Basic Need And Livelihood For Becoming Atmanirbhar.

OUR MISSION

To Develop Sustainable Solution For Society For Their Basic Needs And Livelihood Through Solar Thermal Products.

OUR PRODUCTS

Solar Cookers
Solar Dryers
Solar Oven
Solar Desalination
Solar Air Heaters

ABOUT US

We Are one of the Innovator, Researcher and Manufacturer of Sustainable Solutions For Society with wide range of Product development through application engineering in Solar Thermal Energy. We are one of the OEM In Solar Cooker, Solar Dryer, Solar Oven, Solar Desalination With 16 years of Experience

WHY CHOOSE US?

- Timely And Safely Delivery
- World-class infrastructures
- Experienced and Trained Team
- High Efficiency Product
- High Quality Material
- Latest Manufacturing Technology
- Enough Stock Of Raw Material And Final Products
- Patented Design
- Well Researched & Tested Products

OUR REACH

1,00,000+ Individual User
Exported To 16 Country
25 + PSU, 500+ NGO/SHG
100 + Industries
100+ Colleges/Universities/IIT

OUR IMPACT

1,00,000 MT+
Carbon Emission Reduction
1,00,000 MT+
Reduction In Post Harvest Losses
1000+
AtmaNirbhar Entrepreneur Created
