We are the leading manufacturers, supplier and wholesalers of Industrial Plants & Machines. In addition to this, we offer reliable Installation, maintenance & consultancy services to our clients.

## About Us

Incepted in the year **1990**, we, **Patel Enterprises**, (Udaipur), are engaged in manufacturing, supplying and wholesaling an extensive range of Industrial Plants & Machines. In which includes Material Handling Equipment, Screw Conveyor and Rotary Drums. Our offered products are manufactured in complete accordance with the set market standards using the supreme quality raw material and the latest technology under the supervision of our skilled team of professionals. Moreover, our reliable vendors incorporate strict quality standards at each step of the production process in order to manufacture this range in complete compliance with the set industry norms. **We also offer reliable Installation, maintenance & consultancy services to our clients.**

We have hired a team of hard working employees, to ensure smooth and effective production flow in pressure-free working environment. Our quality controllers stringently checking our plants by various check points to ensure absolute installation.

Under the guidance of our respected managing director, **Mr. R. L. Patel**, entire workforce is working in a pressure-free work environment. His decisions, mission, vision, and managerial strategies are helping us in gaining a remarkable position in this domain. Owing to his business ethics, we have been able to offer highest quality products at nominal market prices.
