

**High Quality
“VELVET”**

**SELF ADHESIVE
(PEEL & PASTE)**

INSTALLATION STEPS

first step

Second step

Third step

Fourth step

Clean the walls and keep them dry and dust-free. Measure the size of the overall planning, so as not to take unnecessary waste. Tear off the back aluminium-foil paper. Apply pressure when both sides joint seamlessly. Suitable for cement wall, gypsum wall, iron wall, wood wall, glass wall, marble wall, ceramic wall, and painted wall.
