Company:

1. About us: (one picture)

Accutech Auto Industries is an ISO 9001:2015 certified organization, engaged in the design, development, and manufacturing of "ASHROJ FITTINGS" make premium leak-free and corrosion-free Fluid Conveyance Products.

We are Accutech Auto Industries an company established in 2022 owned and run by hard-working staff and engineers dedicated to helping you succeed. We are committed to delivering the best quality Hydraulic Hose Pipe Fittings products and service with custom product. We are widely recognized across the India and Abroad for the variety and quality of our all types of Hydraulic Fittings products range.

We have diverse products varying from adapters, stainless steels to PTFE and hydraulic hose fittings.

Our product applications range from compressed air, power transmission, earthmoving machines, and machine tools to hydraulic oil, , and thermo-fluids for local and regional consumers to national and global markets. We believe in delivering efficiency in the form of our products to our customers.

Our **Faridabad-Delhi NCR (India)** based production plant houses industry's experienced people, who make use of the resources efficiently and produce products in numerous sizes, materials, shapes, dimensions and other specifications. These **Hydraulic Fittings / Connectors** are known for its precise dimensions, designs, resistance to corrosion, easy installation and durability.

Our company has developed a controlled quality management system, which emphasizes on providing finest quality. It is dedicated towards sustaining quality standards at cost-effective prices.

"ASHROJ FITTINGS" is India's leading brand for High-Pressure Stainless Steel & Carbon Steel Fittings, Hose Assemblies, Tube Clamps & Seamless Tubes. ASHROJ serves Hydraulic, Instrumentation, Alternative Fuel, and Pneumatic applications. ASHROJ products are designed in line with international specification requirements in quality, safety, consistency, and reliability.

VISION

1.To become India's Premium manufacturer of all products in Fluid Conveyance."catering to Indian market, export market and government sector.

Mission

We dedicate ourselves to serve the customer to their satisfaction and assure our utmost consideration at all times. All our Hydraulic Hose Pipe Fitting products meet highest industrial norms and standards. Over a period of time, we have built up a lot of goodwill and reputation. Customer satisfaction is our prime motive so we always strive for timely Delivery and efficient service.

2. Manufacturing facility: show them machines, people (3-4 pictures)

Manufacturing: Realizing customer's requirements and the machine capabilities, Accutech has been producing the hydraulic fittings, hose end fittings suited for all applications at its headquarter in Faridabad.

Innovation: Accutech works along Kaizen (continuous improvement). Continuous research and sustainable development with the insight to increase the use of greener materials, better working technologies to increase the performance and efficiency, making automotive industry and the world more connected, prosperous, and safer appeals our customers to get associated with a socially responsible company . Using latest technologies, automation, enables us to serve our customers beautifully.

Coating/Plating : Our self-developed coating chamber operated under best biologically and chemically safe containments gives us the products which can give a tough competition to all the products running out in the market.

Development: To advance our strength in Hydraulic fittings, FTP'S, "ASHROJ" now has well equipped research facilities where New products, new profiles are the part of our daily plans and taken care by the RnD department. Our people are continuously working to improve our products so that we can make your production smoother, softer and safer.

Testing: Our every product goes through a rigorous testing in our plant facility before reaching out to you.

Quality in every detail:

" It's not a one-time quality, we provide. Either it is the same or better. "

State-of-the-art machines with high efficacy and precision need high supervision from the starting point. Therefore, Accutech tries to manage its quality from the very start- using first class raw materials. We exclusively use Raw material of high quality and select the stringent testing methods to validate them depending on the application. For processing, we choose high precision machines, SPM's with proper tooling , environment, inspection methods and other parameters to process them precisely as per our customer requirements.

Products:

Accutech Auto Industries manufactures a wide range of Hose End Fittings, from low to ultra high pressure hydraulic fittings range and compatible to high temperature, aggressive fluids in single/double wire braided and multi-spiral hoses. Our hydraulic hose fittings components conform to BCS, SAE, ISO, DIN/EN and other international standards. Hydraulic Hose Pipe End Fittings are designed for mounting on to hydraulic hose. We are supplying our Hydraulic Fittings Spares products range to National and International export market. The fitting must be compatible to the hose in order to withstand the rigors encountered in extreme working conditions. Our products range are Hydraulic Hose Pipe Fittings, Hydraulic Bends, Hydraulic Hose Pipe Female Bends, Hydraulic Adaptor, Hydraulic Union, Hex Nipple, Hydraulic Caps, Hydraulic Socket, Hydraulic Ferule, Hydraulic Nut, Hydraulic Hose Pipe Hex Nut, Hydraulic Nipple, Hydraulic Inner, Hydraulic Female Nipple, Hydraulic SAE Flange etc.

All our products meet highest industrial norms and standards. Over a period of time, we have built up a lot of goodwill and reputation. Customer satisfaction is our prime motive so we always strive for timely Delivery and efficient service.

Our product application ranges from food to chemical industry. We deal in manufacturing **Hose Fitting, Hydraulic Hose End Fittings, Hose End Fitting, BSP Elbow, Hose Fittings, BSP Adapter, Hose Pipe Fittings, Insert Hose End Fitting, Hydraulic Hose Assemblies, Bend Pipe Fitting, Hydraulic Hose Pipe Fitting, Elbow Pipe Fitting, Hose Pipe Adaptors, Split Pipe Flanges, BSP Fittings, BSP Hose Adapter, Copper Washer, Dowty Seal, Hose Assemblies, Hose Fitting, Pipe Clamp, Ferrule Fitting, Industrial Hose Pipe Fitting, SAE Bend Nipple, Hydraulic Hose Fittings, Hose Assemblies, Hydraulic Hose Assemblies, SAE Bend Nipple SAE Split Flanges** etc.

Product Applications

We are manufacturing and supplying Hydraulic Hose Pipe Fitting parts to various industry also for OEM manufacturing industry. Hydraulic fittings are parts used to connect hoses, pipes, and tubes in hydraulic systems. Hydraulic equipment generally operates under high pressures and is often not a fixed system. Consequently, hydraulic fittings need to be strong, versatile, and reliable to operate safely and effectively in their respective applications. Hydraulic Hose Fittings are used in JCB Cranes, LP Fittings, Grease Gun Components Fittings, Fire Extinguishers Fittings, Trolley Fittings, Hydraulic Machinery, Oil & Gas Pipe Fittings, Structure Pipe, Hydraulic Pipe, Hydraulic Lift, Chemical Fertilizer Pipe Fittings etc.

Hydraulic Fitting Used In:

Hydraulic Fitting Are Used To Connect Hoses Tubes And Pipes To Pumps Valves Cylinders And Other Pots Of The Hydraulic System.

PRODUCT CATEGORY STARTS

HYDRAULIC HOSE FITTINGS

Hydraulic Hose Fittings manufacturers in Faridabad/Delhi-NCR/ North:

“**AAI**” is a best place to buy engineer products. Here we are the most reliable manufacturers and suppliers of various wide varieties of engineering products. Here we have **Hydraulic Hose End Fittings, Hydraulic Hose Fitting, Hydraulic**

Fittings, Hydraulic Hose Pipe, Hose End Fitting, Hydraulic Hoses Fitting, Hydraulic Hose and Fitting, [Hydraulic High Pressure Fitting](#), Hydraulic Ferrule Fittings Hose Fittings for sale in our company. This **Hydraulic Hose End Fittings** are manufactured and designed in a superior manner. And **Hydraulic Hose End Fittings** are manufactured by using the best kind of raw materials and has excellent durability and flexibility. Additionally these **Hydraulic Hose End Fittings** has good resistant capacity to chemicals, heat and corrosion . **Hydraulic Hose End Fittings** are manufactured in a way that they are high on flexibility,, pressure resistance and performance life. Moreover we have these **Hydraulic Hose End Fittings** for sale in **AAI** in market's best price.

Features of Hydraulic Hose Fittings

- Chemical Resistant
- Corrosion and heat resistant
- Long service life
- Pressure resistant
- Easily Customisable

Applications of Hydraulic Hose Fittings:

- Agricultural Equipment
- Plumbing Applications
- Oil Industries
- Gas Industries
- Construction and Mining Department

INDUSTRIAL HOSE PIPE FITTINGS

Industrial Hose Pipe Fittings manufacturers in Faridabad/Delhi-NCR/ North: We are the most reliable and reputed manufacturers, suppliers and providers of various types of engineering products. “AAI” is known for the quality products we make and the services we deliver. Now we have **Industrial Hose Pipe Fittings**, [Industrial Hose and Pipe Fittings](#), **Industrial Hose Fittings**, for sale in our firm. These **Industrial Hose Pipe Fittings** are made with the best infrastructure and has amazing durability. And also these **Industrial Hose Pipe Fittings** are designed by the experts by keeping in mind with which qualities does **Industrial Hose Pipe Fittings** should possess. **Industrial Hose Pipe Fittings** are manufactured by using the

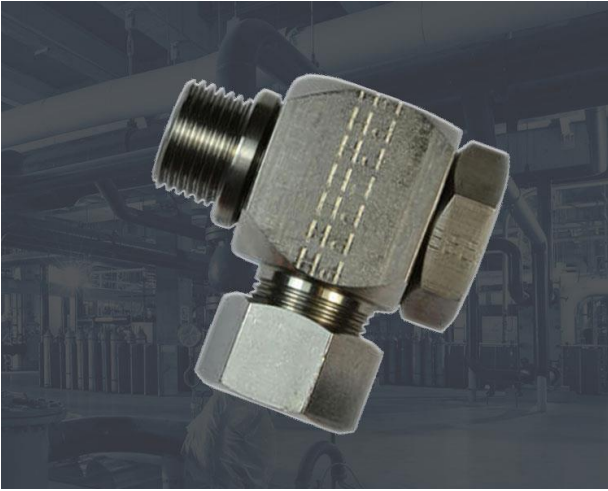

best grade raw material and has terrific service life. Moreover we have these **Industrial Hose Pipe Fittings** for sale in market's best price.

Features of Industrial Hose Pipe Fittings:

- Corrosion Resistant
- Chemical Resistant
- Highest flexibility
- Heat resistant
- Multiple layered finish

Applications of Industrial Hose Pipe Fittings:

- Chemical Industries
- Petroleum/Fuel Industries
- Hydraulic Works
- Plumbing Industries
- Factory Applications

BANJO

Banjo in Faridabad/Delhi-NCR/ North:

“AAI” is a well established and well reliable manufacturing and supplying firm in Faridabad which is known for producing products and spare parts related to Hydraulic category. Now we have [Banjo for sale](#) in our firm. We have many types of Banjo for sale in our firm, they are plain Banjo, Threaded Banjo, 2 inch Banjo, ½ inch Banjo, Forged

Banjo, Three step Banjo and many others. Here we supply the best ever quality of Banjo tees which are made with various types of best grade quality raw materials such as Mild steel, Brass and others. We import this best raw materials from reputed vendors for the manufacturing process of Banjo. These Banjo's are of robust construction and delivers excellent performance. Moreover we have these all types of Banjo's in market's best price.

BSP HOSE ADAPTOR

BSP Hose Adaptor in Faridabad/Delhi-NCR/ North:

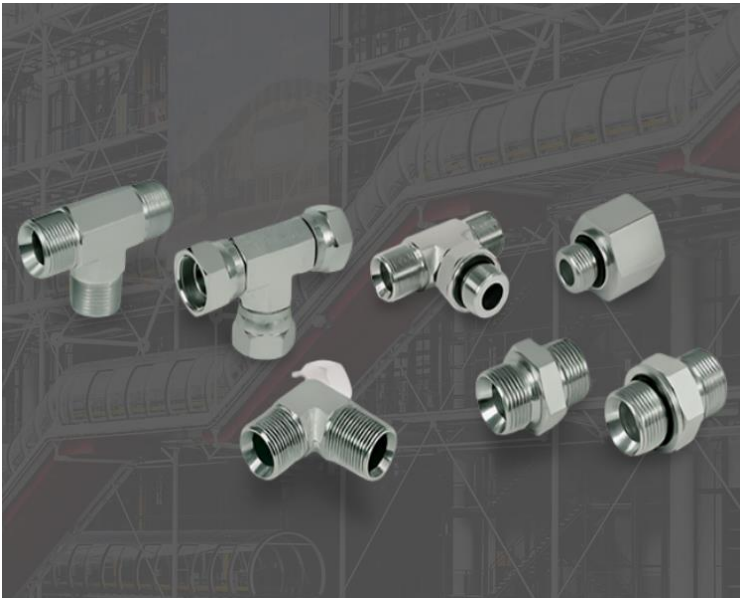

We are one among the well reputed and renowned manufacturing and supplying firm of various types of engineering products. We are predominantly known for our quality centric products which are made by experts. **BSP Hose Adaptors, Bsp Adapters**, are one such highly appreciated products from our wide array of product range. These **BSP Hose Adaptors** has wide range of applications in various industries under various categories. These **BSP Hose Adaptors** are well designed and well made because we have a team of experts with huge experience. We use the best raw material which are supplied from few reputed vendors. Here we manufactured these **BSP Hose Adaptors** under the best infrastructure and we are able to manufacture these **BSP Hose Adaptors** in customer required specifications. Moreover we have these **BSP Hose Adaptors** for sale in market's best price.

Features of BSP Hose Adaptor:

- Durability
- Tensile Strength
- Corrosion resistant
- Chemical Resistant
- Customisable

Applications of BSP Hose Adaptor:

- Factory needs
- Pharma industries
- Plumbing industries
- Irrigation industries
- Chemical industries

BSP FITTINGS

BSP Fittings in Faridabad/Delhi-NCR/ North:

“AAI” is one among the well reputed and reliable manufacturing firm in the market for manufacturing the best quality centralised products. Now we have **BSP Fittings, BspNpt Threaded Fitting, Bsp Threaded Fittings, [Ms Bsp Fitting](#), Bsp Fitting, Stainless Steel BSP Fitting, BSP Fitting Stainless,. Bsp Hydraulic Hose Fitting** in our firm, these **BSP Fittings** are designed, manufactured by the team of experts. These **BSP Fittings** are available in any dimensions according to requirement. And also these **BSP Fittings** manufactured by following all technical and quality norms in order to give the best from our side. **BSP Fittings** are made by the high grade quality raw material , we have several reputed brands as vendors. **BSP Fittings** from our firm is manufactured by cutting edge technology under the best infrastructure. Moreover we have these **BSP Fittings** for sale in market's best price.

Features of BSP Fittings:

- High tensile strength
- Chemical resistant
- Corrosion resistant
- Durability
- Cost effective

Applications of BSP Fittings:

- Chemical Industries
- Pharma industries
- Irrigation Purposes
- Fuel industries

HOSE PIPE ADAPTORS FLANGES

Hose Pipe Adaptors Flanges in Faridabad/Delhi-NCR/ North:
We are one among the most reliable and distinctive manufacturing and supplying firm in the market for manufacturing different varieties of engineering products which are very useful in various industries. We

have **Hose Pipe Adaptors, Straight Through Hose Adapter, Hose Reel Adapter, Vacuum Hose Inlet Adapter, Hydraulic Hose Adapter, Hydraulic Adapter, Hose Fittings, [Fire Hose Adaptor](#), Hose Adapter, Hose Adaptors, Hose Pipe Adaptors, Hose Male Adaptor, Steel Hose Adapter, Brass Hose Adaptor** for sale in our firm,, these hose pipe adaptors are designed and manufactured by the experts. **Hose Pipe Adaptors** are made by the raw material which is high on quality, we get these high grade raw materials from the vendors who had a brand for themselves in quality. And **Hose Pipe Adaptors** manufactured in “AAI” are made by following all quality standards and norms. And we are able to manufacture and supply these **Hose Pipe Adaptors** in various dimensions and specifications according to client's requirement.

Features of Hose Pipe Adaptors:

- High tensile strength
- Cost effective
- Durability
- Corrosion resistant
- Chemical resistant

Applications of Hose Pipe Adaptors:

- Plumbing industries
- Irrigation Industries
- Pharmaceutical Industries
- Oil and gas resistant
- Chemical Industries

ELBOW PIPE FITTINGS FLANGES

Elbow Pipe Fittings in Faridabad/Delhi-NCR/ North:

We are the leading manufacturers and suppliers of various varieties of engineering products. We are termed as the best in the market for our quality services. Now we have **Elbow Pipe Fittings, [Industrial Elbow Pipe Fitting](#)** for sale in our firm. **Elbow Pipe Fittings** are manufactured by following all quality standards. And **Elbow Pipe Fittings** are manufactured with the best quality raw material under the advanced technology installed infrastructure. These **Elbow Pipe Fittings** are used to change the fluid flow direction. Additionally **Elbow Pipe Fittings** are also used to connect two pipes with equal or different diameters. This **Elbow Pipe Fittings** is the integral part of pressure piping system. Every product from our firm will undergoes a critical testing in various steps of production. Moreover we have these **Elbow Pipe Fittings** for sale in market's place

Features of Elbow Pipe Fittings:

- Chemical resistant
- Corrosion resistant
- High durability
- High tensile strength
- Cost effective

Applications of Elbow Pipe Fittings:

- Irrigation system
- Plumbing industries
- Chemical industries
- Factory needs

HYDRAULIC HOSE END FITTINGS

Hydraulic Hose End Fittings manufacturers in Faridabad/Delhi-NCR/ North

["AAI"](#) is a best place to buy engineer products. Here we are the most reliable manufacturers and suppliers of

various wide varieties of engineering products. Here we have **Hydraulic Hose End Fittings, Hydraulic Hose Fitting, Hydraulic Fittings, Hydraulic Hose Pipe, Hose End Fitting, Hydraulic Hoses Fitting, Hydraulic Hose and Fitting, Hydraulic High Pressure Fitting, Hydraulic Ferrule Fittings Hose Fittings** for sale in our firm. This **Hydraulic Hose End Fittings** are manufactured and designed in a superior manner. And **Hydraulic Hose End Fittings** are manufactured by using the best kind of raw materials and has excellent durability and flexibility. Additionally these **Hydraulic Hose End Fittings** has good resistant capacity to chemicals, heat and corrosion . [Hydraulic Hose End Fittings](#) are manufactured in a way that they are high on flexibility,, pressure resistance and performance life. Moreover we have these **Hydraulic Hose End Fittings** for sale in **AAI** in market's best price.

Features of Hydraulic Hose End Fittings:

- Chemical Resistant
- Corrosion and heat resistant
- Long service life
- Pressure resistant
- Easily Customisable

Applications of Hydraulic Hose End Fittings:

- Agricultural Equipment
- Plumbing Applications
- Oil Industries
- Gas Industries
- Construction and Mining Department

HOSE END FITTINGS

Hose End Fittings Manufacturers in Faridabad/Delhi-NCR/ North:

We are one of the leading [manufacturers and suppliers](#) who always produce unique products which are high on quality and durability. [Hose End Fittings](#), Hose and End Fittings, Hose& End Fittings, Brake [Hose End Fittings](#), Hydraulic Hose End Fitting,

Metal Hose End Fitting, Hydraulic Hose Pipe Fittings are among the products from our wide array of wide product range. With the unique and brilliant build quality these [Hose End Fittings](#) are lauded by our customers and clients. These [Hose End Fittings](#) have many applications in many large scale industries. As every product in our firm we manufactured this **Hose End Fittings** with the best design and with cutting edge technology. And **Hose End Fittings** are manufactured by using the best among raw material and has amazing service life as it has better finish. Moreover we have these [Hose End Fittings](#) for sale in market's best place.

Features of Hose End Fittings:

- Chemical resistant
- Corrosion resistant
- Leak proof
- Good for high pressure industries
- Customisable

Applications of Hose End Fittings:

- Chemical Industries
- Textile Industries
- Fuel Industries
- Cement industries
- Pharma Industries

COUPLING NUTS

Hose End Fittings Manufacturers in Faridabad/Delhi-NCR/ North:

We are one of the leading [manufacturers and suppliers](#) who always produce unique products which are high on quality and durability. [Coupling Nuts](#), **Hose and End Fittings**, **Hose& End Fittings**, **Brake Hose End Fittings**, **Hydraulic Hose End Fitting**, **Metal Hose End Fitting**, **Hydraulic Hose Pipe Fittings** are among the products from our wide array of wide product range. With the unique and brilliant build quality these **Coupling Nuts** are lauded by our customers and clients. These Coupling Nuts have many applications in many large scale industries. As every product in our firm we manufacture these Coupling Nuts with the best design and with cutting edge technology through bars/ Hot forging/ Cold forging And **Coupling Nuts** are manufactured by using the best among raw material and has amazing service life as it has better finish. Moreover we have these **Coupling Nuts** for sale in market's best place.

Features of Coupling Nuts:

- Chemical resistant
- Corrosion resistant
- Leak proof
- Good for high pressure industries
- Customisable

Applications of Coupling Nuts:

- Chemical Industries
- Textile Industries
- Fuel Industries
- Cement industries
- Pharma Industries
