

We deal in HEAT

SHIKOVI[®] Heat gen Technologies Pvt. Ltd.

Solutions for Success

SHIKOVI[®] Heat gen Technologies Pvt. Ltd. OFFERS INDUSTRIAL FURNACES, KILNS, LEHRS, OVENS, DRIERS & CUSTOM BUILT ALLIED HEATING SYSTEMS.

**Manufacturers, Repairers
& Consultants of**

- Industrial Furnaces
- Ovens Driers
- Allied Heating Systems
- Product Coating Systems
- Thermal Spray Coating Equipments

*We Conceive Applications
We Design, Engineer, Manufacture
&
We Build Your will*

SHIKOVI[®] BUILDS CUSTOMERS WILL

CHEMICAL HEATING SYSTEMS

HOT AIR GENERATORS

- Direct and indirect fired Hot Air Generators, an ideal equipment for Chemical and pharmaceutical industries useful in drying, roasting, fluid bed driers, Mineral drying, coal drying, Calciners, Auxiliary inline heaters, available in electric and gas fired versions capacities ranging from 10,000 To 10,000,00 K cal. Per hour.

INDUSTRIAL ELECTRIC AND GAS FIRED FURNACE

- Standard and Custom built industrial Electric and Gas fired furnaces an ideal equipment for Chemical industries, pharmaceutical and other industries useful in drying, roasting, Chemical reactors, crucible heating application for carrying out various chemical process, Distillation, Chemical separation etc. capacities as per customers requirement.

INDUSTRIAL ELECTRIC AND GAS FIRED FURNACE, INCINERATORS

- Standard and Custom built industrial Electric and Gas fired furnaces and incinerators an ideal equipment for Chemical industries, pharmaceutical, hospitals, perfume industries, waste management authorities. and other industries useful in Gasification, Amalgamation, drying, roasting, Chemical reactions, crucible heating application for carrying out distillation, chemical separation, Diffusion, and various chemical process.

INDUSTRIAL ELECTRIC AND GAS FIRED, TILTING FURNACES & CONTINUOUS FURNACES

- Standard and Custom built industrial Electric and Gas fired furnaces of various types i.e. tilting, Continuous furnaces with roller conveyor, wire-mesh conveyor, pusher, and batch type furnaces, Incinerators with auto charging mechanism, material handling systems, Pre and post burning treatment, an ideal equipment for Chemical industries, pharmaceutical industries, in electric and gas fired versions in various capacities as per customers requirement.
