

# Shreeyash Enterprises / Cool Grills - Pune, India

## Company Profile

Established in the year **1997**, we "**Cool Grills & Shreeyash Enterprises**" are involved in manufacturing and supplying a wide range of **Air Distribution Products, Industrial Dampers & Louvers (Fixed and Movable) & Sheet Metal & Heavy Industrial Fabrication**. All the offered products are developed in the manufacturing unit using premium grade Raw Materials. These are designed as per the Industry set Standards and conform to the quality standards. The offered Products are Well Received for their features such as durability, dimensional accuracy, High Quality of Workmanship, relatively low maintenance and long service life. We are thus established and reputed suppliers of the same throughout India and especially in Western India with our setup being one of the oldest in the city of Pune, Maharashtra.

Being a Technically sound Enterprise, we are committed to provide Good, Standard products to our valued customers. The members of our team are dedicated and possess healthy industry experience towards this End. Further, to execute all the actions in a streamlined and Trouble-free way, we have built adequate infrastructure and Capabilities at our premises. The infrastructure of our enterprise is allotted with various latest hi-tech machines, advanced machinery and all other assets that are required in carrying out the entire manufacturing and supplying. Also, Our Management keeps up-to-date with the ongoing improvements and innovations in the Market; both in India as well as the Global scenario as a whole and this helps us to constantly update and improvise our existing products as well as add new products and innovations to our range, thus catering to all our customers for longer terms. Owing to the quality-based approach and technically sound infrastructure, we have managed to garner a good reputation and Goodwill as proven by our long-term and varied customer base around the country.
