

WittySense Innovations Private Limited

PRODUCT BROCHURE

- Ø WIRED ALARM SYSTEM
- Ø WIRELESS ALARM SYSTEM
- Ø HYBRID ALARM SYSTEM
- Ø GSM ALARM SYSTEM
- Ø DOOR MAGNETIC SENSOR
- Ø ROLLING SHUTTER SENSOR
- Ø VIBRATION SENSOR
- Ø GLASS BREAK SENSOR
- Ø PIR MOTION DETECTOR
- Ø SMOKE DETECTORS
- Ø PANIC BUTTON / SWITCH
- Ø 12V SIREN / HOOTER
- Ø IR BEAM SENSOR

2 Zone Hybrid Alarm Panel

- 2 Wired Zone & 1 Wireless Zone.
- Auto Armed & Disarmed With Timer Function.
- Onboard KeyPad & Display for Easy Settings.
- Configurable Delay Zone.
- Wireless Remote Key for Arming & Disarming.
- Designed With Original Microcontroller.

4 Zone Hybrid Alarm Panel

- 4 Wired Zone & 1 Wireless Zone.
- 4 Digit Password Protected.
- Connect Wireless Sensors with Panel.
- Auto Armed & Disarmed With Timer Function.
- Onboard KeyPad & Display for Easy Settings.
- Configurable Delay Zone.

Wireless GSM Alarm Panel

- Wireless Alarm Panel with Auto GSM Dialer.
- Auto Armed & Disarmed With Timer Function.
- Battery Backup for Emergency.
- Onboard KeyPad & Display for Easy Settings.
- Wireless Remote Key for Arming & Disarming.
- Support All 4G SIM.

4 Zone Hybrid Alarm Panel with GSM

- 4 Wired Zone & 1 Wireless Zone.
- Inbuild Auto GSM Dialer Support All 4G SIM.
- Auto Armed & Disarmed With Timer Function.
- Onboard KeyPad & Display for Easy Settings.
- Wireless Remote Key for Arming & Disarming.
- Configurable Delay Zone.

Sensor & Accessories

Door Contact

Door Sensor is designed to passively monitor any entrance into your property by easily attaching to any door or window.

Wired

Wireless

Shutter Sensor

This sensor is specifically designed for rolling metal doors and shutters, providing effective intrusion detection.

Wired

Wireless
