## ABOUT US

*At Maple Car Care, we believe your car is more than just a means of transport—it's a part of your life, holding countless memories of your journeys. Founded over two decades ago, our brand was inspired by the maple leaf, a symbol of resilience, beauty, and deep family ties. Our founder laid a strong foundation for the business. And for the last 13 years his son has continued the legacy, under the leadership of Mr. Raghav Ahuja, we have embraced modern techniques and innovation while staying true to our original mission.*

*In an industry where innovation meets craftsmanship, Maple has stayed ahead by embracing modern techniques and top-tier products, including our very own line of premium automotive chemicals. Developed through advanced formulations, our products ensure that your vehicle gets the best care possible, from cleaning to protection and beyond. Whether it's interior detailing or engine maintenance, we have the perfect solution for every part of your vehicle. Every ingredient in our products is sourced from INDIA.*

## VISION

*To be the trusted name in car care, where quality craftsmanship, integrity, and a commitment to customer satisfaction drive lasting relationships. By delivering reliable, transparent service, we aim to form lasting relationships with our customers, ensuring they feel confident and cared for each time they visit.*

## MISSION

*At Maple, we deliver superior automotive services with a focus on safety, performance, and customer satisfaction. Your car is more than just a ride—it's your trusted companion. That's why we provide expert care to keep it road-ready and you confident every time you drive. Experience the difference of service driven by passion and precision.*
