# About Management

04

Zuheb Khan  
*Founder & Director*

- Visionary leader with over a decade of expertise in recruitment, staffing, and workforce management across India.
- Founded Origin Hiring to bridge the gap between employers and the workforce, empowering industries with blue-collar, entry-level, and mid-level hiring solutions.
- Pioneer in AI-driven recruitment solutions and nationwide recruiter network ensuring speed, scalability, and quality in hiring.
- Passionate about creating opportunities for India's workforce, especially in Tier 2 & Tier 3 cities, while supporting businesses with cost-effective staffing solutions.
- Strong believer in ethical recruitment practices – Origin Hiring follows a zero candidate charge policy to promote fairness and transparency.

# Market and Customers

- India's recruitment and staffing industry is valued at ₹40,000+ crore, with rapid growth driven by logistics, e-commerce, manufacturing, IT/ITES, healthcare, and retail sectors.
- Rising demand for blue-collar and entry-level talent across Tier 1, 2, and 3 cities is fueling bulk hiring and contract staffing opportunities.
- Organizations increasingly prefer outsourced recruitment partners to meet large-scale hiring needs quickly and cost-effectively.
- Digital transformation & AI-driven hiring are reshaping the way employers and candidates connect, making Origin Hiring a future-ready recruitment partner

# Achievements

## Achievements

06

- Successfully closed 10,000+ positions Pan-India & overseas across blue-collar, entry-level, and mid-level roles.
  - Built a nationwide recruiter network & HRBP team capable of delivering 1,000+ joinings per month.
  - Partnered with leading brands like Raymond Group, Elastic Run, Rapido, Zeencare, Apollo-affiliated networks, and hospitality clients.
  - Expanded operations across multiple industries & geographies – logistics, healthcare, apparel, hospitality, retail, and international placements.
  - Introduced AI-driven recruitment solutions ensuring faster, transparent, and cost-effective hiring.
  - Recognized as a trusted partner for ethical hiring practices with a zero candidate charge policy.
-

# Key Projects

# Technology and Innovation

08

## AI-Driven Recruitment

- Smart sourcing through AI tools & job portals
- Automated resume screening & shortlisting
- Matching candidates to roles with higher accuracy

## Digital Hiring Platforms

- Social media & mobile-first recruitment campaigns
- WhatsApp & SMS-based candidate engagement
- Virtual interviews & onboarding

## Innovation in Workforce Solutions

- Pan-India recruiter network with remote collaboration tools
  - Zero candidate charge policy promoting ethical hiring
  - Flexible staffing models – temp, contract, RPO
-

# Corporate Social Responsibility

## Women Empowerment

- Special hiring initiatives for women candidates (e.g., Raymond Group project with 700+ female sewing machine operators).
- Focus on providing safe, stable, and long-term employment opportunities for women across sectors.

## Ethical Recruitment

- Zero candidate charge policy – ensuring no financial burden on job seekers.
- Promoting fair wages, compliance, and social security benefits (PF, ESIC, insurance).

## Community Upliftment

- Creating opportunities in Tier 2 & Tier 3 cities, reducing migration stress.
- Connecting underprivileged job seekers to formal employment with benefits.
