OUR COLLECTION

For over 49 years, the Somany story has spelled supreme achievements in style, performance and innovation in the tiles segment in India. Same experience and expertise has been applied while crafting the Sanitaryware range.

Sanitaryware range from Somany offer comprehensive and classy washroom solutions. Each product in the range is crafted to cater to those who appreciate the finer things in life. Designed to soothe and stimulate the urbane and sophisticated, the styles range from contemporary to neo classical; some products are crafted by leading designers from Italy.

Our Sanitaryware collection caters to your unique requirements with truly intelligent solutions like the Concealed Cistern with dual flush. The Concealed Cistern is specifically engineered to save precious space. Every single WC is equipped with dual flush mechanism (6/3 ltr. options), for water conservation. The range comprises of Coordinate Sets, Wall Hung WCs, One Piece Toilets, Art Basins, Vanity Basins, Cabinet with Mirror and Concealed Cistern with various Press Panel design options. The range offers a perfect blend of elegance and a great value for money.

This exquisite range is available at Somany's state-of-the-art showrooms; Somany Grande, Somany Exclusives, Somany Bath Studios and also your nearest dealer counters. All designs are perfectly compatible with the Indian plumbing systems followed up with highly efficient after sale service. So say hello to the evolution of quality Sanitaryware from Somany.

VANITY

In a society with even more differentiated lifestyles, Somany launches Vanity Collection, a combination of elegance and comfort with sophisticated details that provides a helping hand with everyday life.

They come in various sizes and offers a surprising amount of storage space for bathroom toiletries. The cabinets proves to be a particularly spacious storage miracle. LED-light ensures good lighting and creates a pleasant atmosphere. A matching washbasin completes the range.
