Schoolmate Nuvo

The Complete School Management Solution

STUDENT DETAILS

Student Details module is all about students. The application processes to Transfer Certificate and further old student address to transcript…. The major features include Admission Register, ID cards, Attendance, Exams, Marks & Progress Card, Conveyance Details, Parent Address Label, Certificates, Transcript & scores of reports.

STAFF DETAILS & PAYROLL

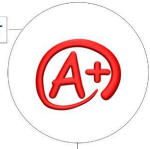
The Staff Details and payroll module gives provision for entry of staff bio-data information, service details, educational records, scholastic achievements, staff photo and ID card, salary details, PF, Income tax, leave and all staff related

FEES DETAILS

Fee Details Module is a boon for the fee-billing clerk. This module tremendously helps in efficient & effective management of the fee collection, billing and statements. The Fee collection, Fee Bank Voucher generation, bill printing, defaulter's information, collection summary etc can be managed at the necessary speed, security and accuracy. Fee Details is presently integrated with online fee payment and provides comprehensive reports for offline and online payments.

EXAM MANAGEMENT

Exam Management for CBSE, State or ICSE Syllabus schools.



LIBRARY MANAGEMENT

The comprehensive library management module integrated with student and staff details modules.
