Having vast Experience since 1990 in this domain, We **"KRISHNA INSULATIONS & ENGINEERS PRIVATE LIMITED"** are an ISO 9001:2015 certified involved in manufacturer, supplier & service provider of a broad range of PUF Pipe Sections, PUF Sandwich Panel, PUF Pipe Support, Soundproof cabin, recording studio, acoustic insulation and allied Insulation Products. All the products made available by us are manufactured using premium quality raw material & components, procured from renowned vendors in the market. Further, owing to their efficient insulation properties, ability to withstand harsh temperature and having excellent dimensional stability, these products are widely used in number of cold storage.

APPLICATION AREAS -Soundproof Insulation

- Airborne noise insulation in vertical surfaces with low surface mass (lightweight partitions or panels in various materials).
- Airborne noise insulation in ceilings.
- Reduction of impact noise level in all types of frameworks, in formation of floating floors.
- Damping of impact noise produced by atmospheric agents in metal roofs.
- In combination with sound-absorbent materials, it results in products with high acoustic performance characteristics.
- Its applications in the industrial sector range from soundproofing booths to insulation of machine rooms, drainpipes, acoustic damping of metal sheeting, etc.

BENEFITS

- High acoustic insulation, combined with soft, flexible elements.
- Flexible.
- Great elongation capacity
- Easy handling and adaptable to uneven surfaces.
- Good bonding to most of the types of surfaces.
- Acts as a vapour control layer
- Cold- and heat-resistance.
- Excellent ageing resistance.
- Rot proof.

Soundproof Insulation

**If you are looking for one of the above mention product
WE are the best solution for you. WE provide you above
mention product with customization as per your
requirement on your time, at your door step. we also
provide fitting and contract work for above mention
products.**
