

UV MARBLE SHEET

M SERIES

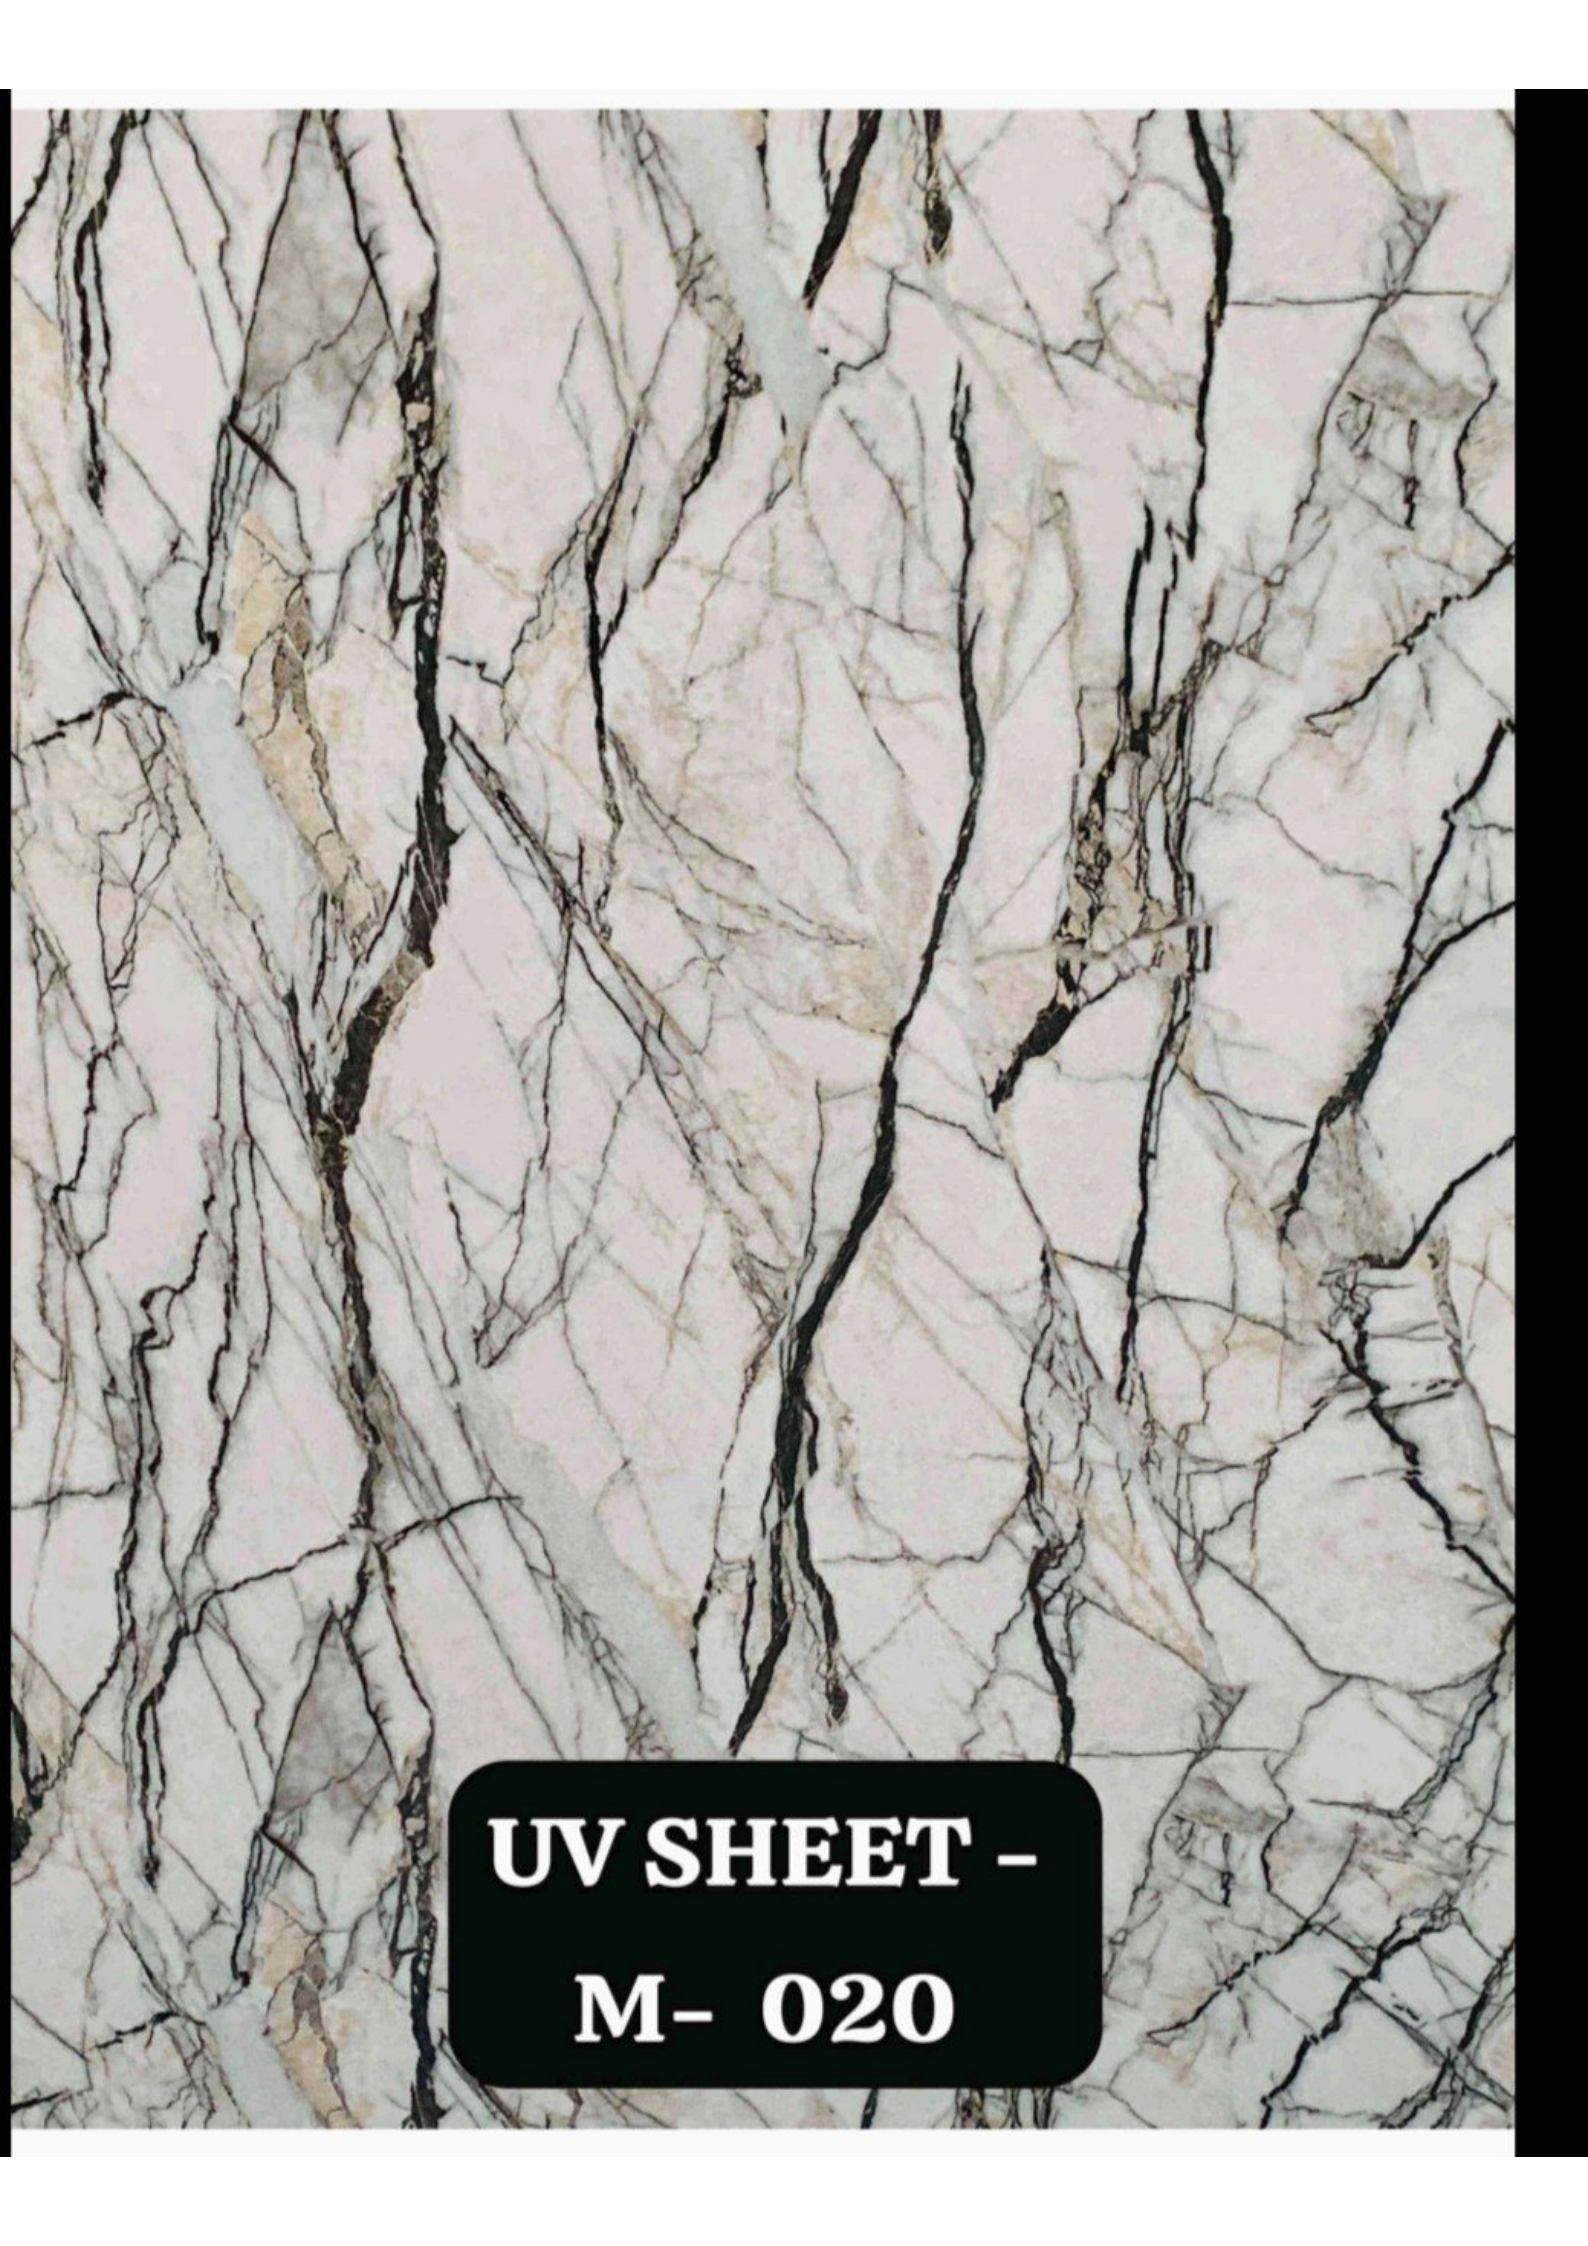

The background of the entire image is a marbled pattern. It features a light beige or off-white base color, overlaid with numerous thin, irregular veins in shades of grey, taupe, and muted sage green. The veins are oriented diagonally, running from the top-left towards the bottom-right, creating a sense of movement and depth.

UV SHEET

M-014

The background of the entire image is a marbled paper texture. It features a complex pattern of thin, irregular veins in shades of brown, tan, and beige, set against a lighter, off-white or cream-colored base. The veins vary in thickness and orientation, creating a natural, organic look typical of traditional marbled paper.

UV SHEET
M-002

The background of the entire image is a marbled paper pattern. It features a complex, organic design with swirling veins of dark brown, black, and light tan against a base of off-white and pale pink. The pattern is dense and covers the entire surface.

The image shows a large sheet of material with a marbled pattern. The pattern consists of light grey and white background with veins of brown and dark grey. The veins are irregular and flow across the sheet. On the left side, there is a vertical strip of green grass. In the bottom right corner, there is a white rounded rectangle containing the text 'UV SHEET' and 'GLS-105' in bold black font.

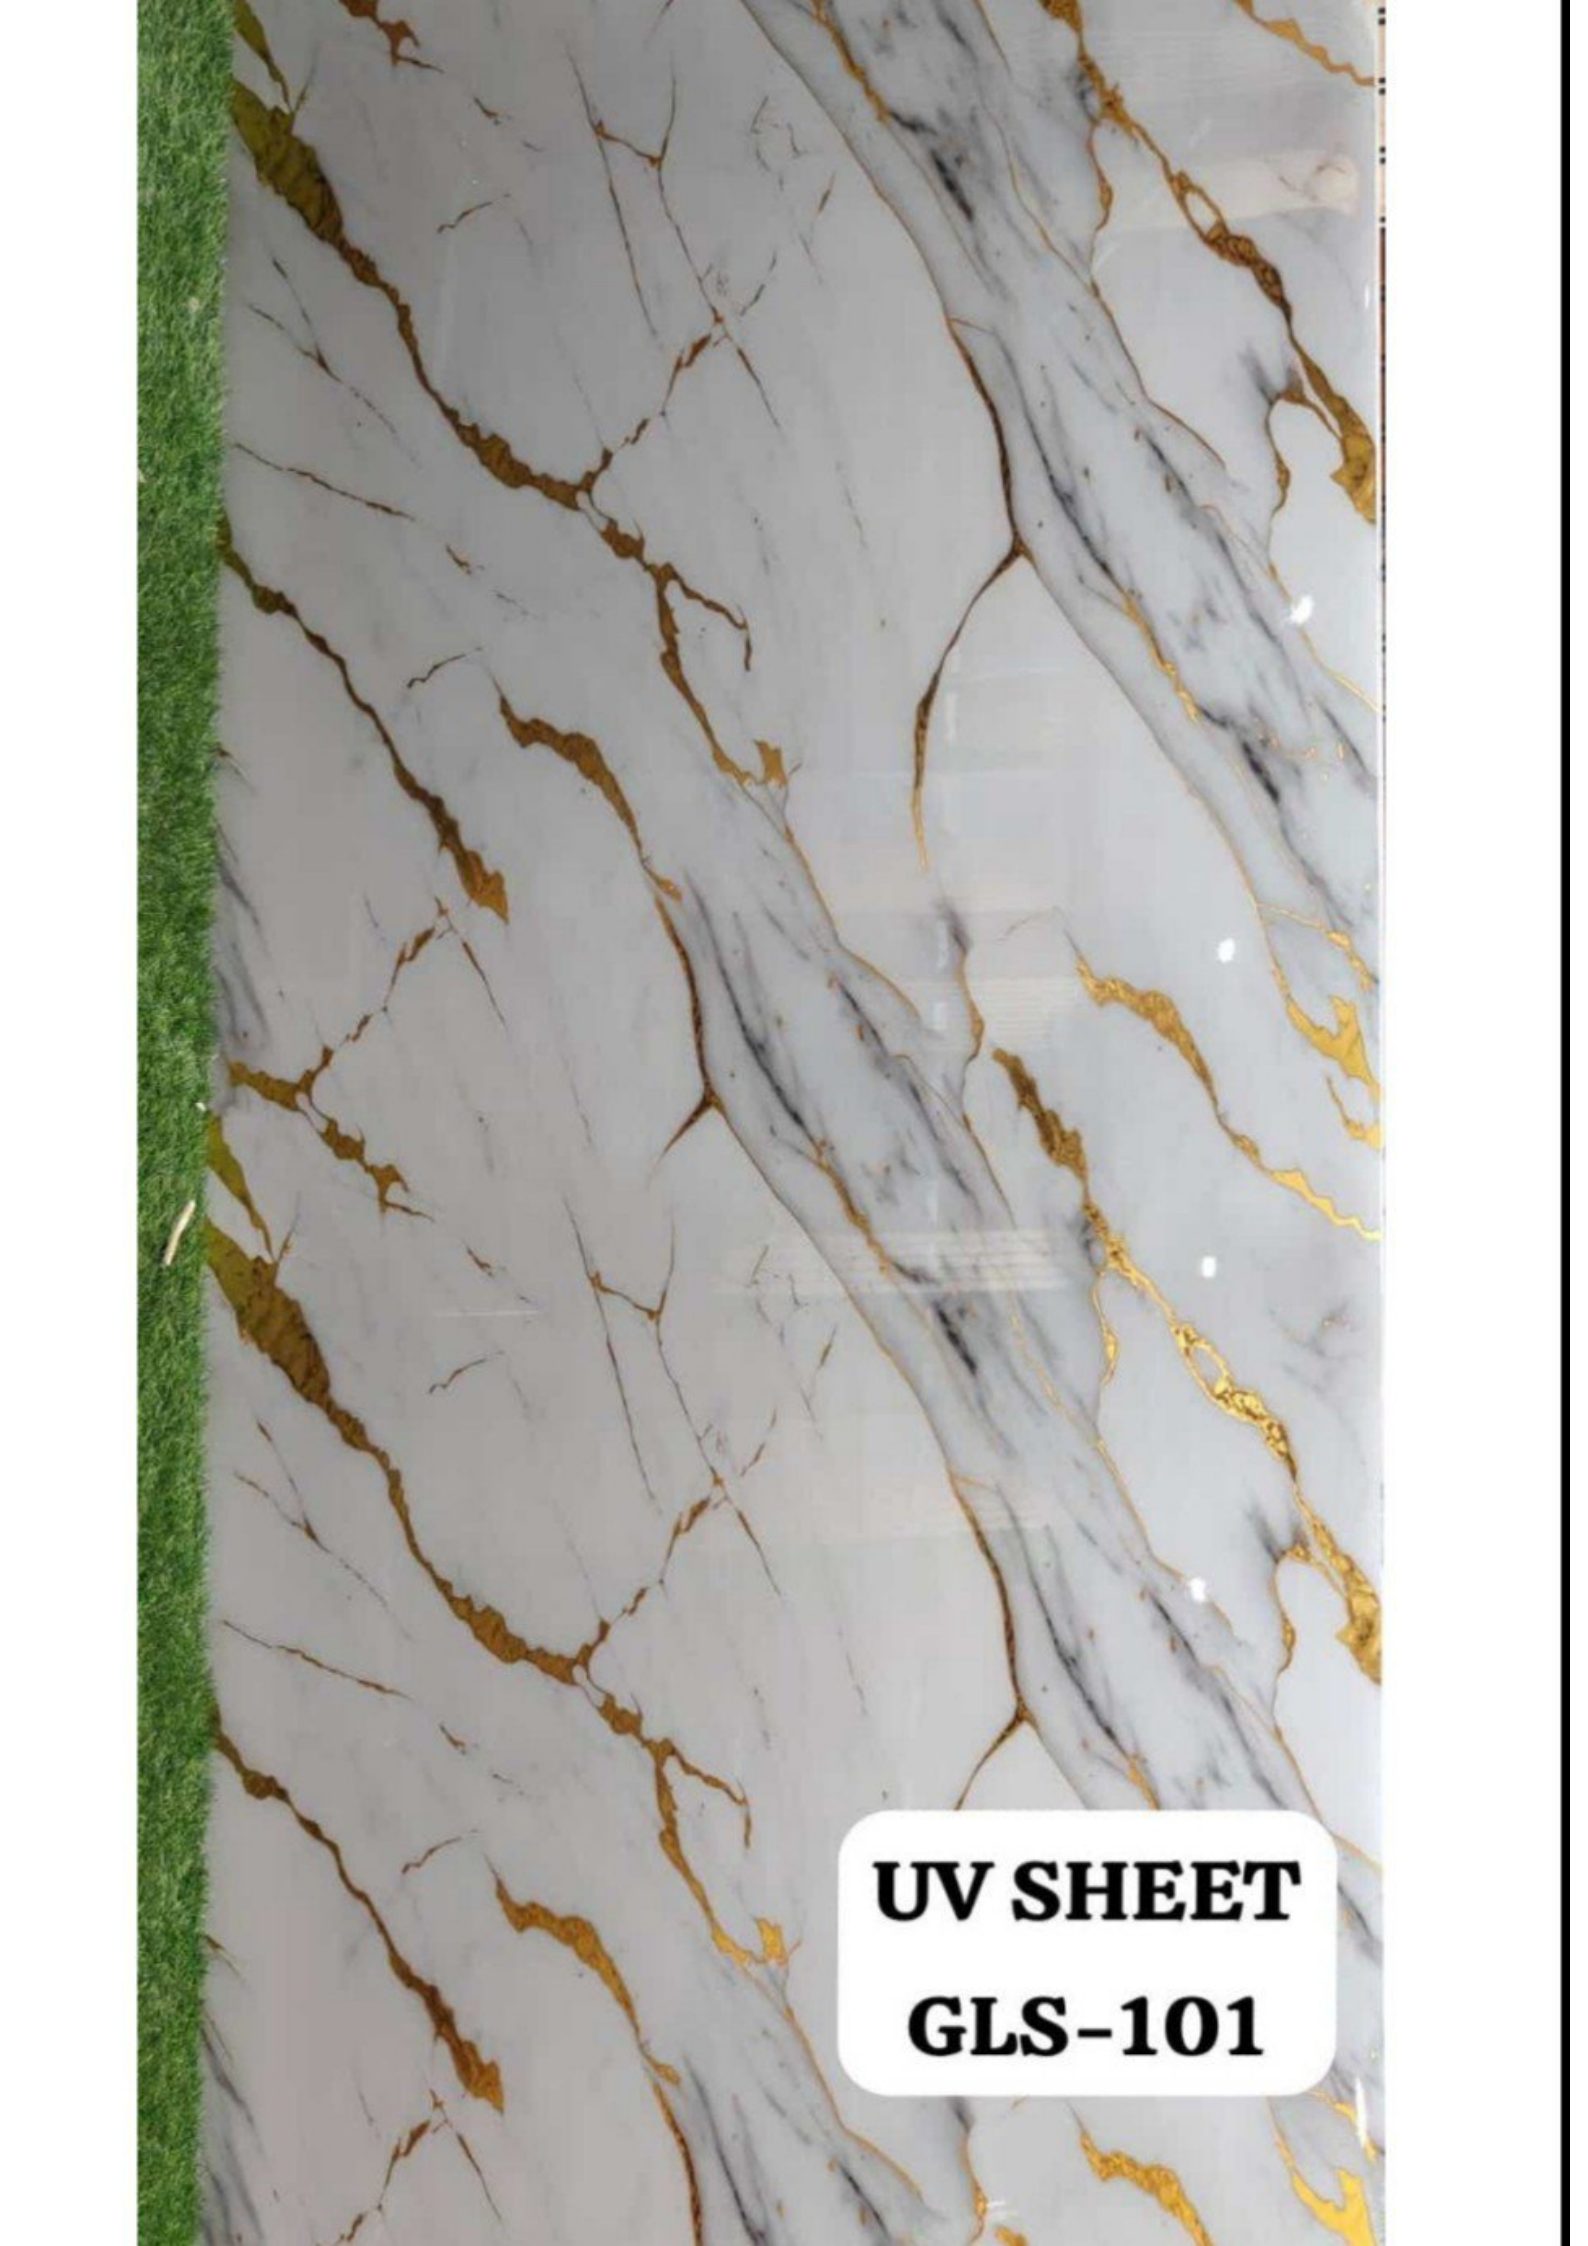

UV SHEET
GLS-105

The image displays a full-page view of a marbled paper pattern. The design features a light grey background with intricate, flowing veins of black and a metallic gold color. The gold veins are particularly prominent, forming a complex, web-like structure that meanders across the page. The overall effect is one of classic elegance and sophisticated design.

UV SHEET
GLS-104

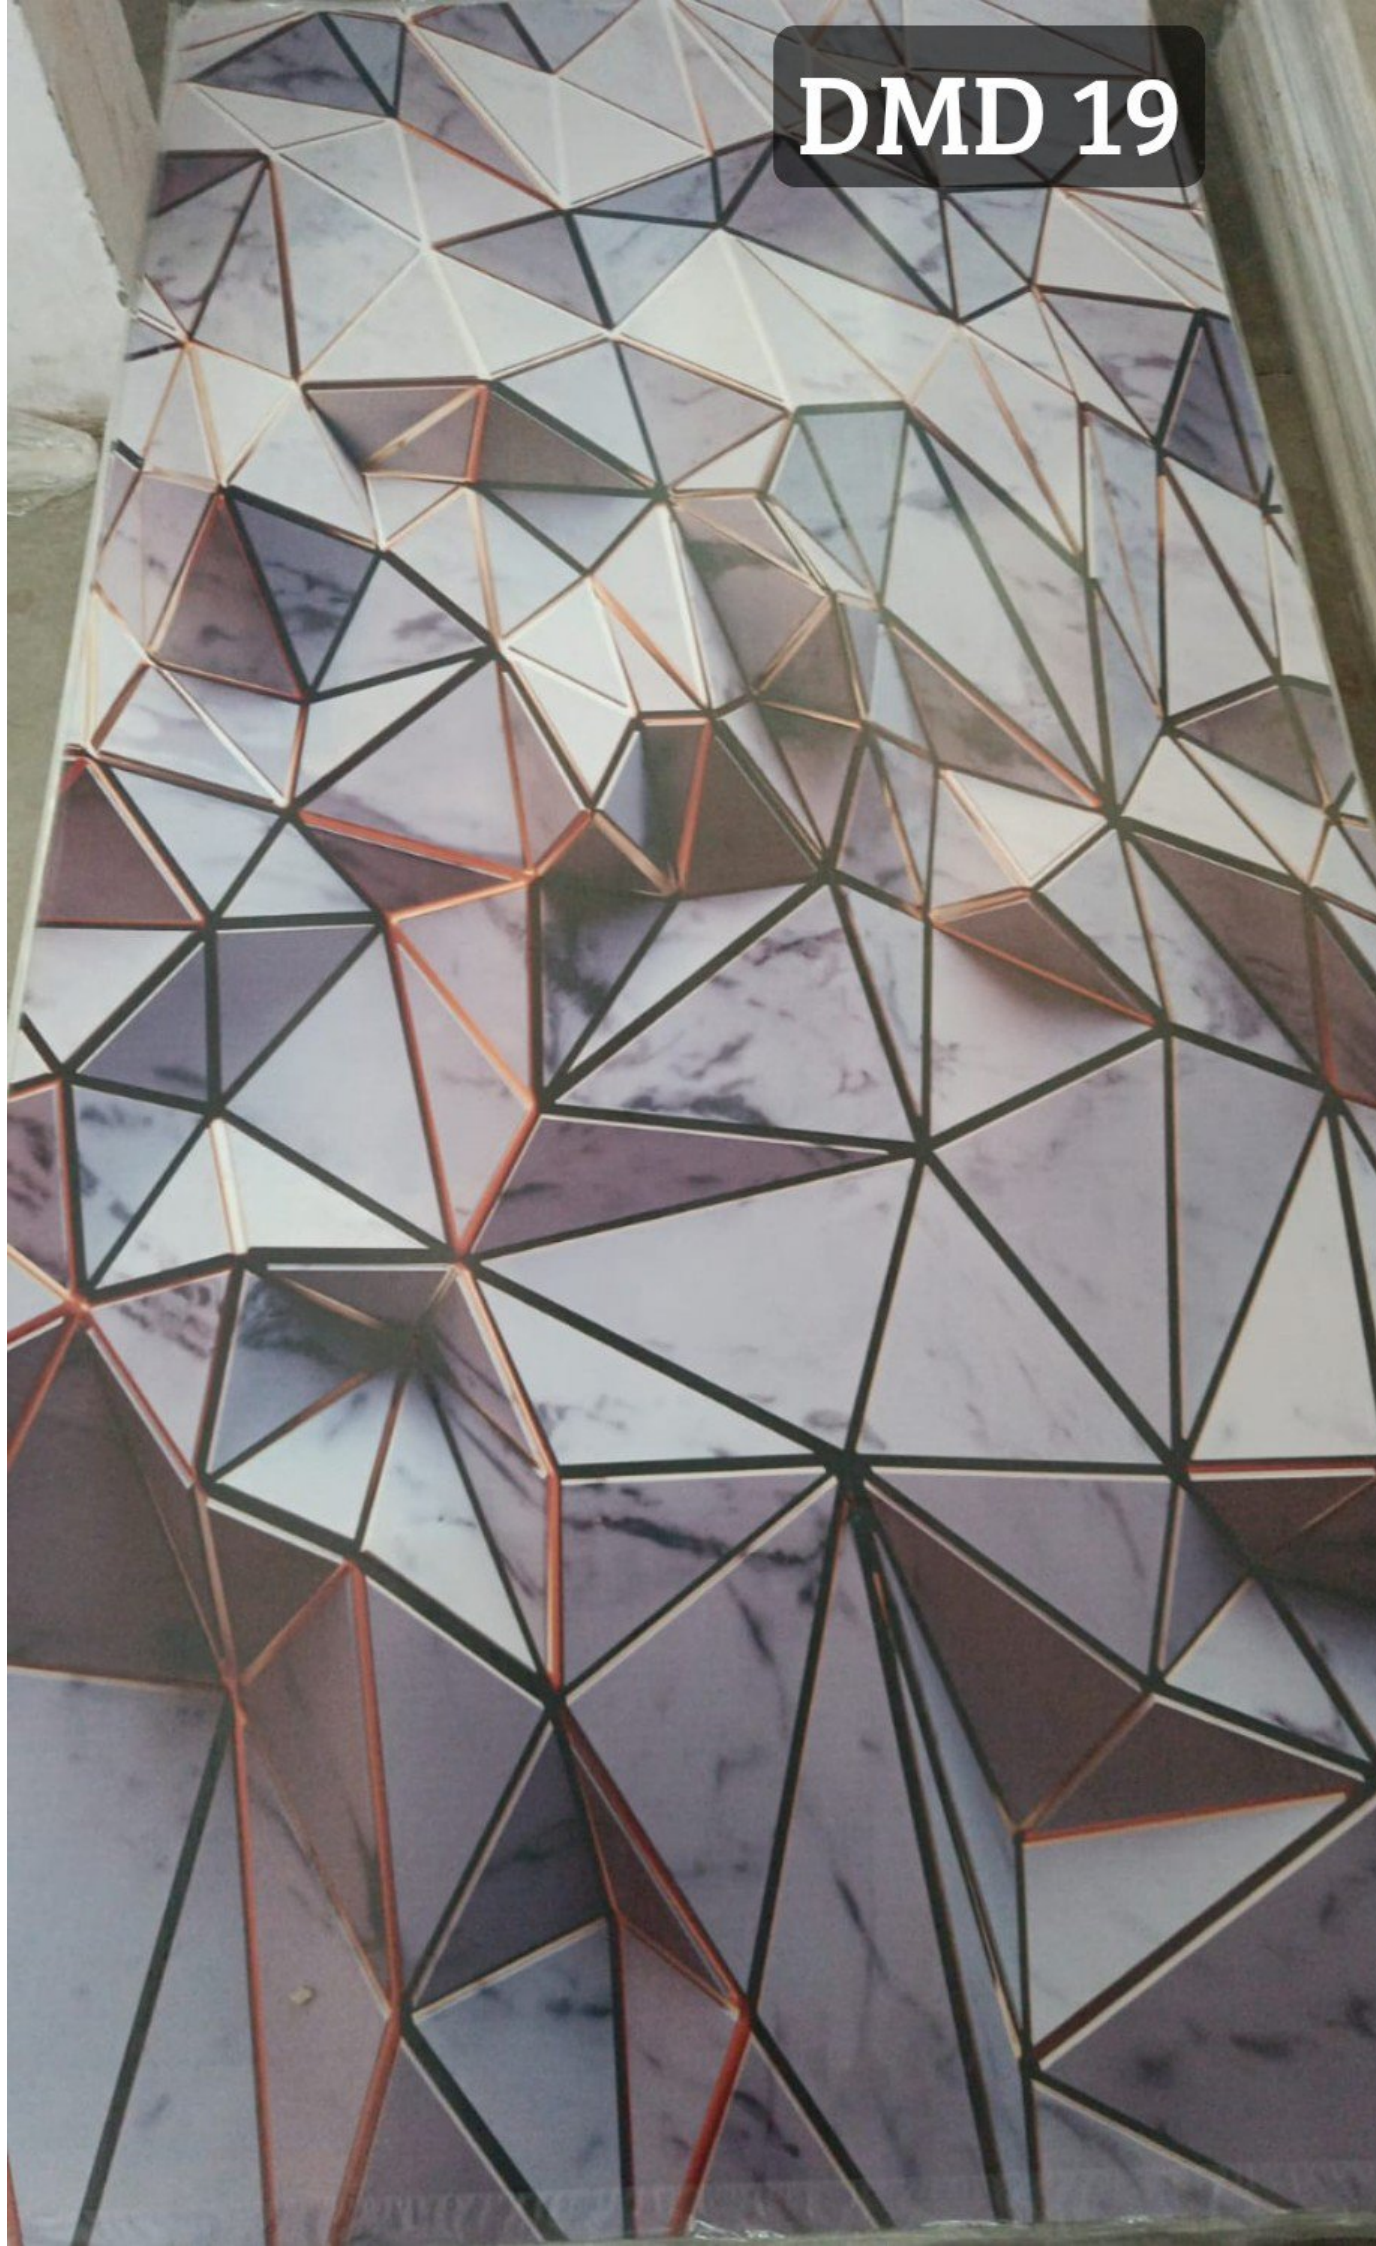

The image shows a close-up of a book's cover or endpaper. The main surface is covered in marbled paper with a pattern of grey, white, and brown wavy lines. A vertical strip of green, textured material, likely a binding strip, runs along the left edge. In the bottom left corner, there is a white rectangular label with black text.

UV SHEET
GLS-103

A close-up image of a decorative UV sheet featuring a marbled pattern. The background is a light greyish-blue, overlaid with intricate, flowing veins of dark grey and vibrant gold. The gold veins are particularly prominent, creating a luxurious, marble-like effect. On the far left edge, there is a vertical strip of green, textured material, possibly representing grass or a different layer of the product. In the bottom right corner, a white rounded rectangle contains the product name in bold black text.

A large rectangular slab of marble with a complex pattern of veins. The background is a light greyish-white, overlaid with large, irregular patches of muted purple and dusty rose. Fine, dark brown and black veins meander across the surface, often following the edges of the purple patches. Small, bright gold or yellow flecks are scattered throughout, particularly along the darker veins. The texture appears smooth but with natural stone variations.
