

U TECH
INDUSTRIES

Consistent in quality

About US

Established in 2015, **U Tech Industries** has grown into a trusted name in the field of precision manufacturing. We specialize in the production of high-quality submersible pump parts, committed to precision engineering, durability and reliable performance for a wide range of water pumping solutions.

With a strong foundation in engineering and modern manufacturing practices, we deliver products that meet industry standards and exceed customer expectations.

OUR VISSION

To be a globally recognized leader in precision-engineered water pumping solutions, delivering unmatched quality, durability, and innovation to meet the evolving needs of the water industry.

OUR MISSION

U-Tech Industries is committed to delivering high-quality submersible pump components through precision engineering and innovation. We aim to provide reliable solutions for diverse water pumping needs while building lasting customer trust.

CORE VALUES

- Innovation
- Reliability
- Precision Engineering
- Sustainability
- Customer Commitment

OUR CAPABILITIES

- In-house manufacturing processes (CNC, VMC, MILLING)
- Testing and quality control guages
- Customization abilities

QUALITY ASSURANCE

- Testing protocols
- Materials used (stainless steel- SS 410/420/431/304 & duplex.)
- Traceability and inspection processes

INDUSTRIES SERVED

- Agriculture and Irrigation
- Domestic Water Systems
- Industrial Water Supply
- Municipal & Wastewater
- Mining & Dewatering

PRODUCT RANGE

V4 PUMP SHAFT

Shaft for 4" pump,
transmits power.

SPLINE COUPLING

Connects motor and
pump shaft.

V6 PUMP SHAFT

Shaft for 6" pump,
handles more load.

ROTOR SHAFT

Motor's rotating
shaft.

SHAFT SLEEVE

protective cover on
shaft to prevent wear
and corrosion

V6 MOTOR COUPLING

Coupling for
V6 motor.

OUR VALUABLE CLIENTS

Consistent in quality

KIRLOSKAR BROTHERS LIMITED
Established 1888

SUSTAINABILITY & INNOVATION

Use of ecofriendly materials and energy-saving components

Focus on continuous improvement and responsible manufacturing

WHY CHOOSE US

Competitive pricing and fast turnaround High durability and precision of all components
Experienced technical support team
OEM/ODM customization available
