NEW SCALA 3 SEATER SOFA

MOTORISED.

New Scala sofa set, designed with inspiration from limitless imagination.

A modern interior scene featuring a dark, tufted leather sofa with patterned cushions. In front of the sofa is a round, dark coffee table with a chrome base, holding a stack of books, a metallic pot, and a small figurine. To the left is a small side table with a white cup and saucer. The background wall is dark with a large, intricate, radial abstract sculpture. Three black pendant lamps hang from the ceiling. The floor is light wood, and a dark, textured rug is partially visible.
