5-Zoned Orthopedic Support

Memory Foam

High Density Coir

Ample[®] Pillow

Ample[®] Memory Foam Pillow

Description

It is often referred to as "viscoelastic" polyurethane foam, or low-resilience polyurethane foam (LRPu). ... Higher-density memory foam softens in reaction to body heat, allowing it to mold to a warm body in a few minutes. Newer foams may recover their original shape more quickly.

Ample[®] Family

A large advertisement banner for SPCW. On the left, the SPCW logo (a stylized 'S' and 'C' in a square) is shown above the text 'SPCW' and 'Your ideal sleep solution'. On the right, a photograph shows a young child sleeping peacefully in a bed with a large teddy bear. A blue ISO 9001:2015 certification seal is in the top right corner. The bottom of the banner is a red bar containing several icons: 'Modern Mattresses on Dispenser Series', 'HEALTHY HYGIENE PROTECTION', 'NAEP Gold Medal', 'ORTHOPEDIC CERTIFIED', and five circular icons representing various mattress features like 'AIRFLOW', 'MOTION ISOLATION', 'TEMPERATURE REGULATION', 'SUPPORT', and 'COMFORT'.

Thank You!
