PRODUCT PARAMETERS:

1. **Size:** 0.7m wide*3m long, One roll; 1 roll = 2.1m²
2. **Thickness:** About 2.5 mm(approx) There may be error in the thickness due to the extrusion of concave convex texture on the surface;
3. **Function:** Waterproof/moisture-proof/anti-collision/thermal insulation /environmental protection
4. **Material:** XPE foam + aluminium film, with three dimensional concave convex texture on the surface, pasted with imitation linen grain effect;
5. **Instructions for use:** Self adhesive wallpaper with smooth & flat surface can be pasted directly on the clean surface. Rough powder dropping, cement wall surface, uneven and other surfaces need to be smooth and flat before pasting;

PRODUCT FEATURES:

- **Anti oil and Antifouling:** Clean immediately after wiping, surface protection and longer service life.
- **Aluminium foil backing paper:** Composite Aluminium foil, no water seepage, strong shielding and no bottom penetration.
- **Tear and paste immediately:** The back is equipped with backglue, which can be pasted immediately after tearing, which is convenient for installation.
- **Seamless Splicing:** Free cutting size, seamless splicing and simple operation.
