Our Products

Dr Plus is dedicated to providing premium sleep products designed to enhance comfort, support, and health.

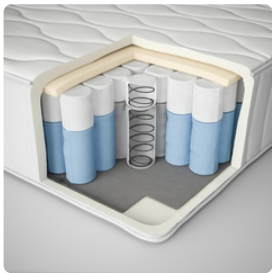

The range includes a variety of mattresses, such as pocketed and bonnell springs, orthopedic memory foam, and rubberized coir, as well as high-quality hotel linens like bedsheets, duvets, and towels.

Pocket Spring Mattress

Individual Support : Each spring operates independently, providing customized support and pressure relief for every part of your body.

Motion Isolation : Minimizes movement transfer, ensuring undisturbed sleep even if your partner moves during the night.

Enhanced Comfort : Adapts to your body's contours, offering a luxurious and supportive sleep surface.

Bonel Spring Mattress

Durability : Constructed with interconnected springs for long-lasting firmness and support

Firm Support : Ideal for those who prefer a more solid sleeping surface, maintaining spinal alignment and reducing back pain.

Orthopaedic Memory Foam Mattress

Pressure Relief : Conforms to your body shape, alleviating pressure points and reducing the risk of aches and pains.

Supportive Comfort : Provides balanced support, ideal for those with back or joint issues.

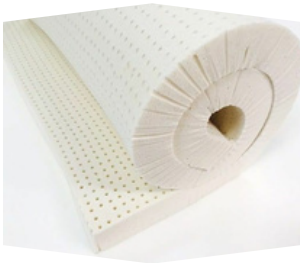

Orthopaedic Latex Foam Mattress

Superior Support and Comfort : Offers robust support and conforms to your body for enhanced comfort.

Pressure Relief : Reduces pressure points, alleviating discomfort in shoulders, hips, and back.

Durability : Maintains shape and support over time, ensuring long-lasting use.
