CROCODILE COTTON POLO TSHIRT ALIGATOR

Crocodile established in Singapore by Dato Dr Tan Hian Tsin.

Established in 1947, Crocodile is an Asian Fashion Lifestyle Brand, with men's clothing being the core product range. From then the brand diversified into other product ranges including footwear, leather goods, travel ware, timepiece, eyewear, bedding and other accessories for men, ladies and children.

Crocodile was introduced to the Indian market in 1996, and subsequently, S.P. Apparels acquired the brand in 2004.

BRAND PHILOSOPHY

Life is inherently busy and unpredictable. That's a given. Amidst this chaos, clothing often adds another layer of complexity. However, what individuals wear should never hinder their progress.

At Crocodile, we meticulously craft our garments based on a deep understanding of the daily needs of people and their bodies. Our unique fabrics and thoughtful designs bring versatility, subtlety, and comfort to the everyday wardrobe.

This approach allows us to create clothes that seamlessly adapt to any situation or unexpected moment. With Crocodile attire, individuals can confidently navigate through life, always making the right impression regardless of the circumstances.
