Round Hole

01219

The image shows a close-up of a dark brown wood surface with a vertical grain pattern. The wood has a rich, slightly mottled appearance with some darker streaks and knots. The texture is smooth but shows natural wood grain variations.

DS-01414

DS-01443

A close-up photograph of a light-colored wood surface, showing a vertical grain pattern with subtle variations in tone and texture. The wood has a warm, pale beige hue with darker, wavy lines indicating the grain structure. The lighting is even, highlighting the natural texture of the wood.

DS-01457

A close-up photograph of a light-colored wood grain surface, possibly a laminate or veneer. The wood grain is vertical and shows natural patterns and knots. A vertical seam or joint is visible in the center of the image. The overall color is a pale, warm beige.

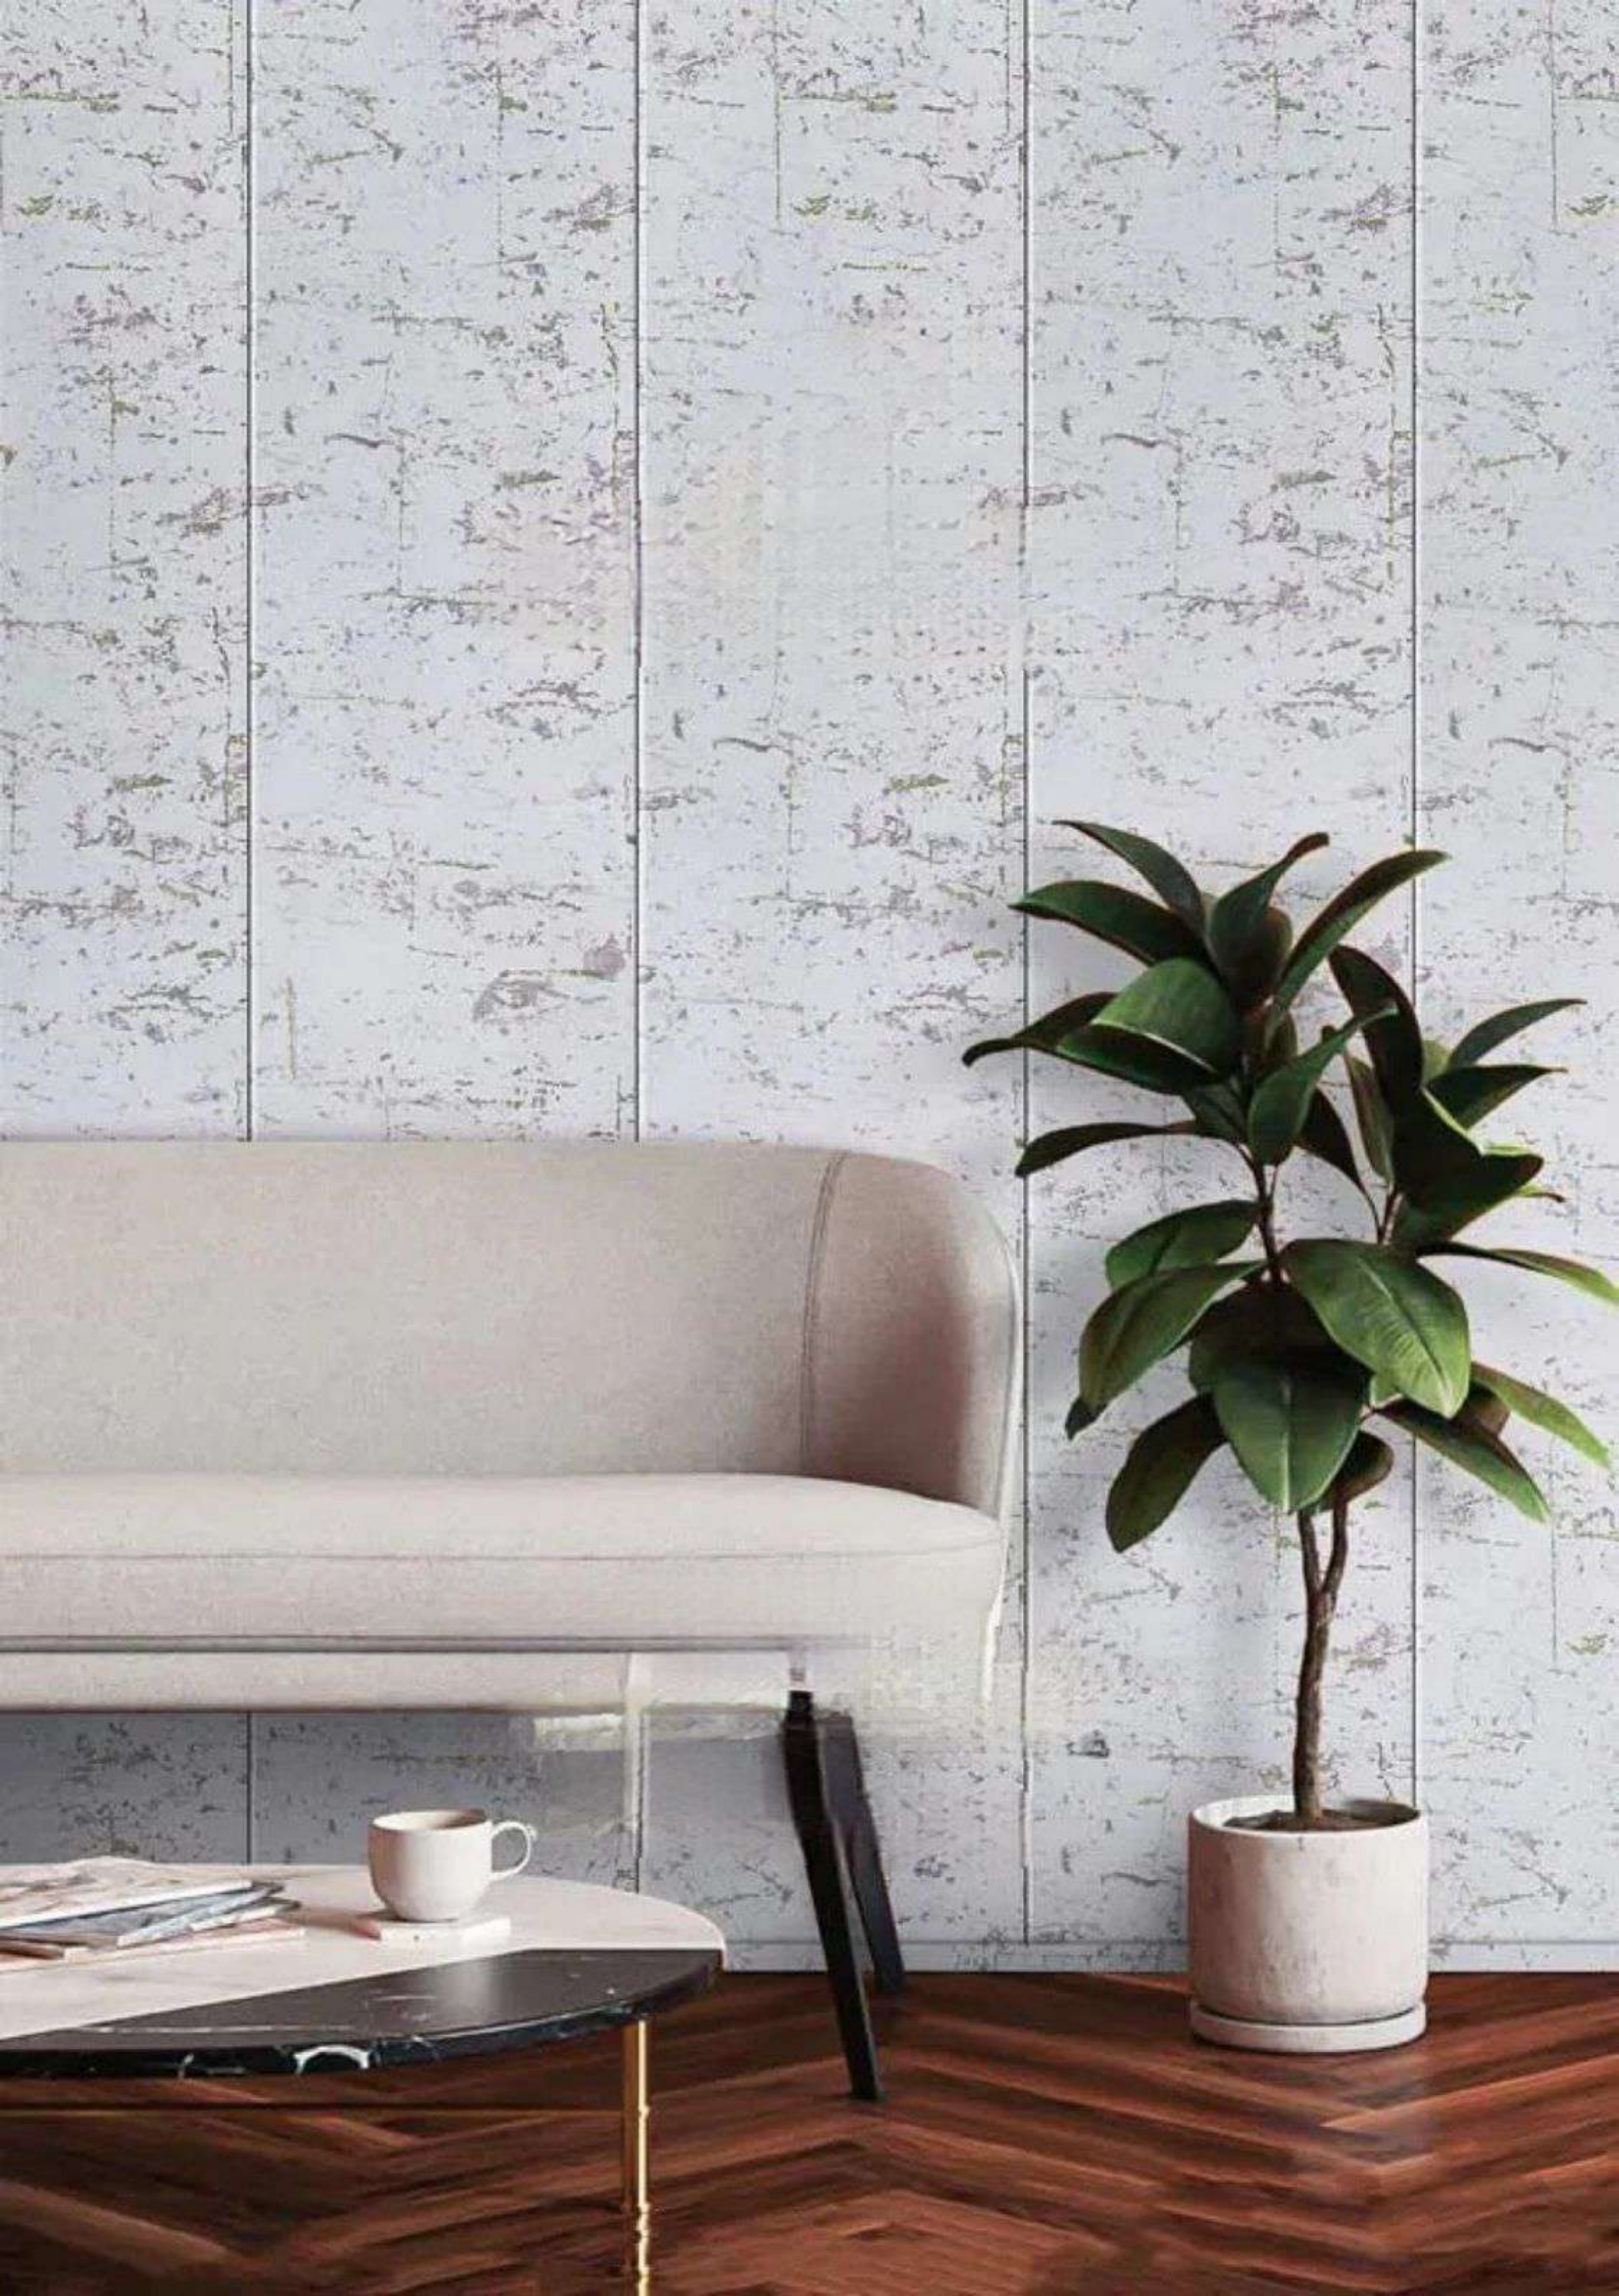

DS-01444

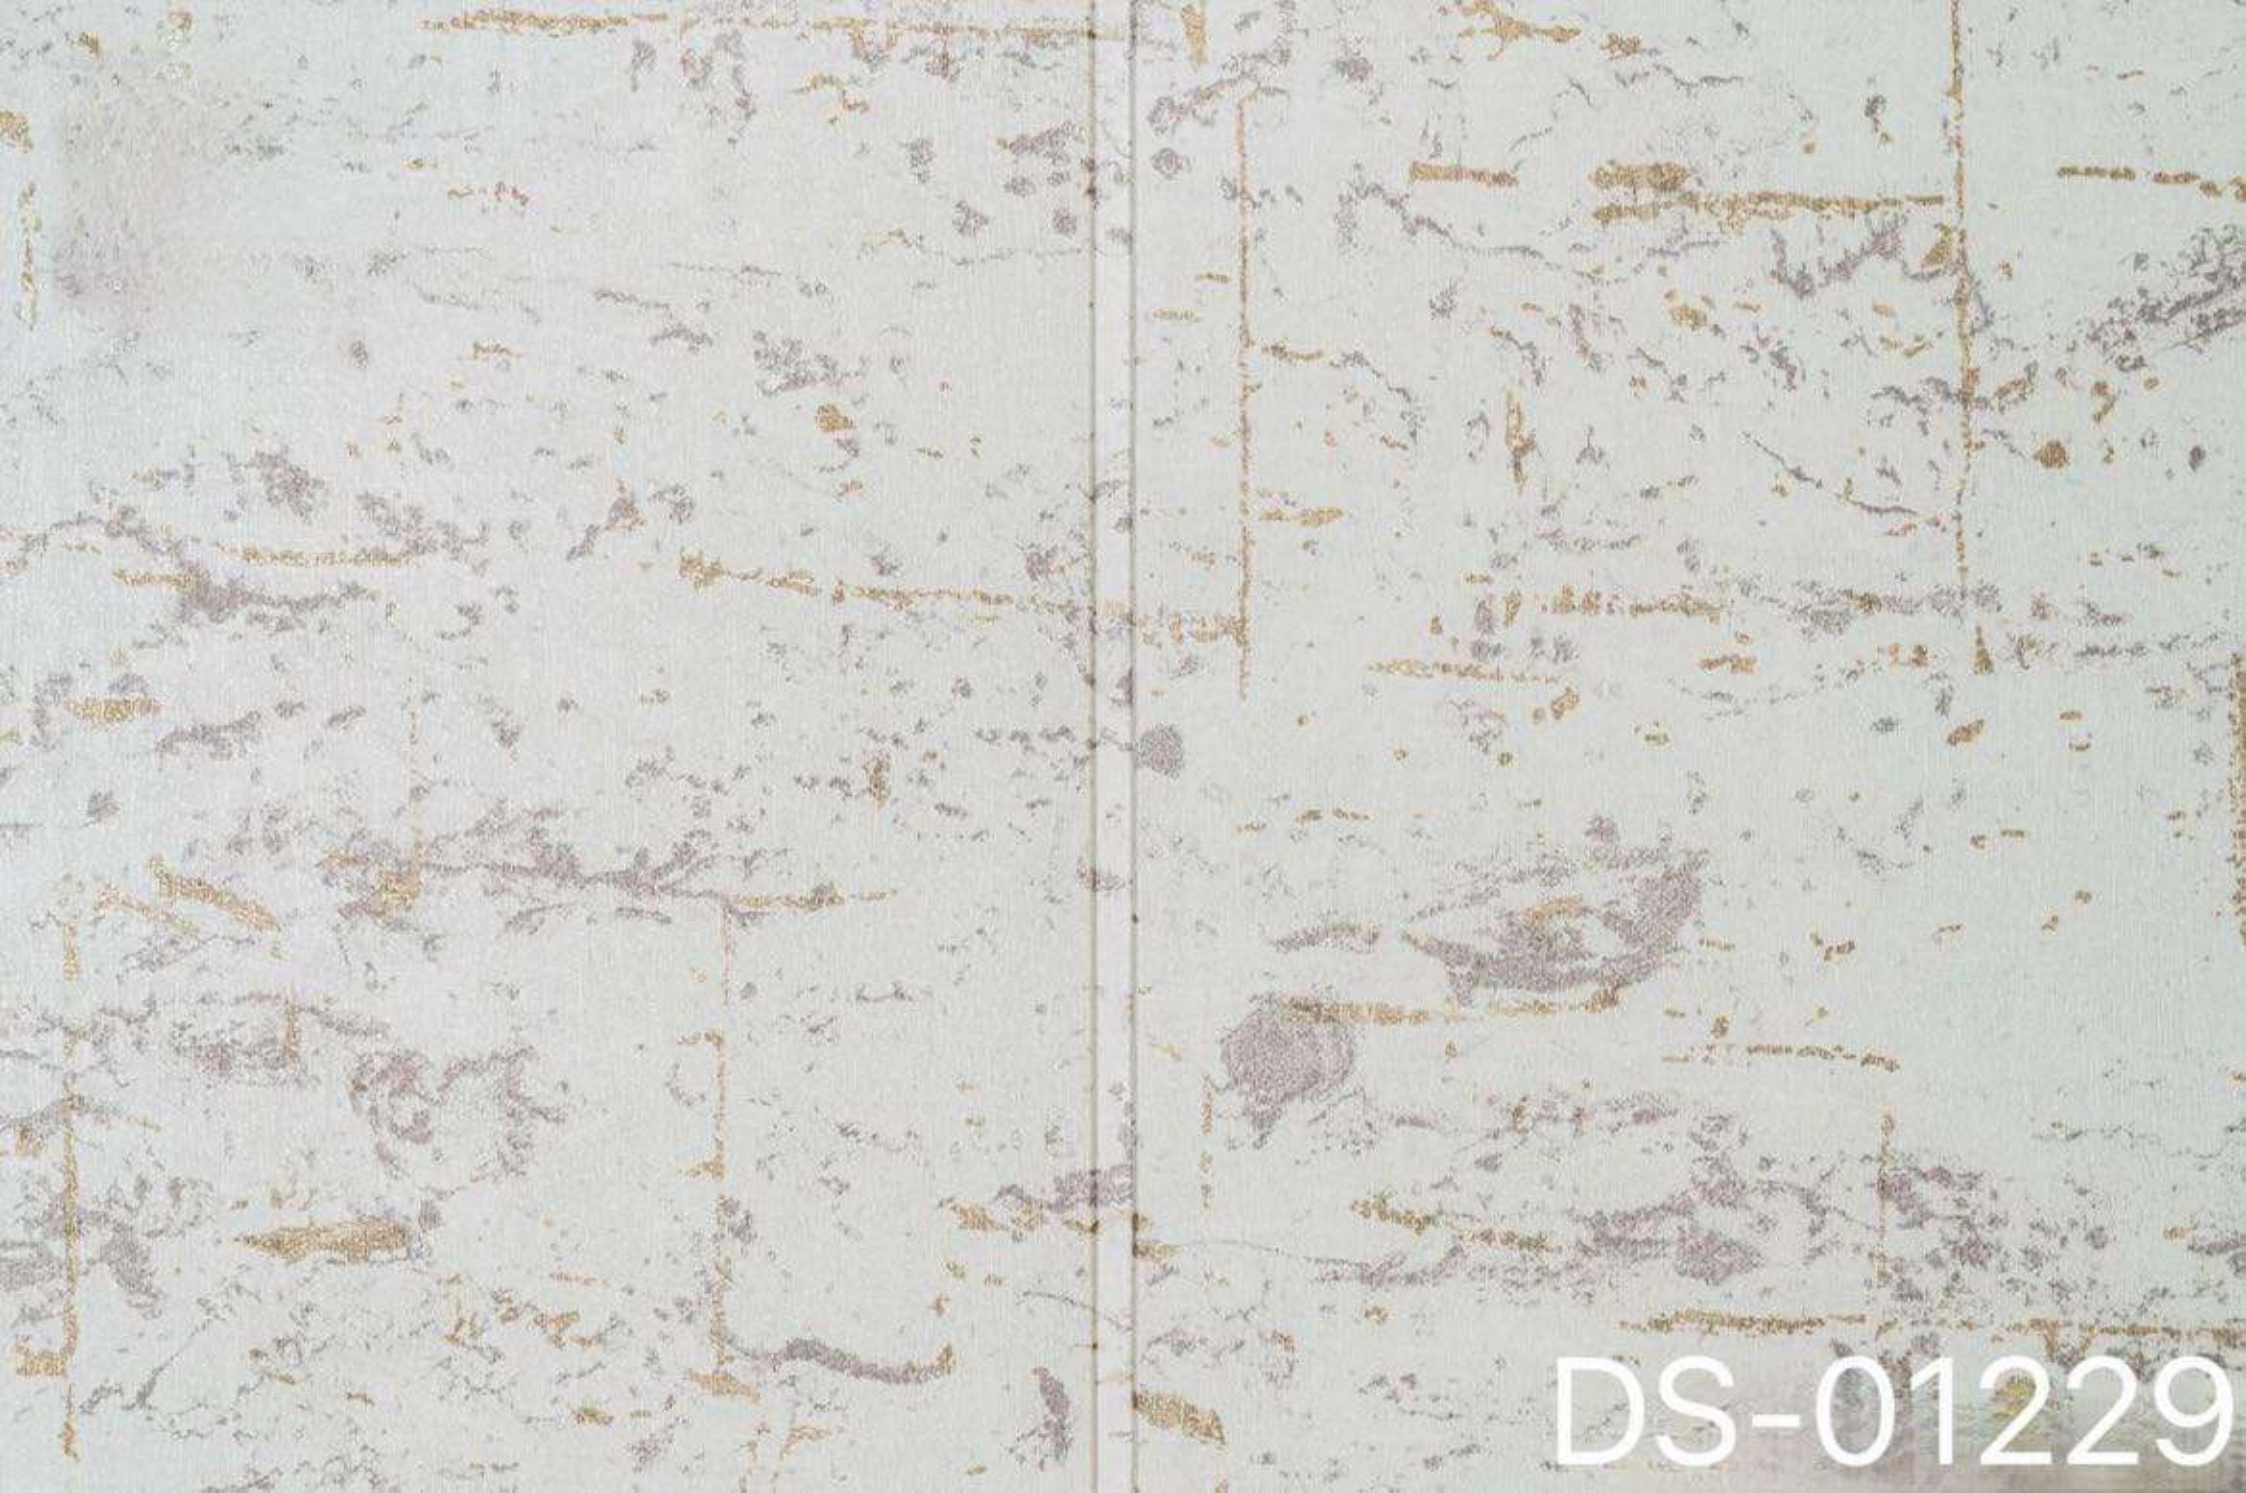

The image displays two vertical panels of dark wood grain texture. The left panel shows a relatively straight, vertical grain pattern. The right panel shows a more complex, swirling grain pattern. The overall color is a deep, dark brown with some lighter, golden-brown highlights. A thin vertical line separates the two panels.

The image shows a close-up of a marbled paper texture. The pattern consists of irregular, vein-like shapes in shades of grey, brown, and tan, set against a darker, muted greenish-grey background. The overall appearance is organic and aged, similar to traditional marbled paper used in bookbinding. A vertical crease or fold line is visible down the center of the image.
