

INTERIOR

A hand is holding a stack of approximately 15 grey, ribbed metal strips. The strips are rectangular and have a consistent width and height. They are stacked vertically, with the top edge of the stack being slightly uneven. The background is a dark wood-grain surface with a vertical grain pattern. A white, rounded rectangular label is positioned at the bottom of the image, containing the text "LW5-154" in a bold, black, sans-serif font.
