ABOUT US

Effortless solutions for a smarter work

Introducing Pronext, a prominent Indian brand renowned for its exceptional industrial and outdoor lighting solutions. At the forefront of innovation, Pronext proudly presents its flagship product, the Inspira series. This cutting-edge line encompasses a wide array of offerings, including sanitary machines, solar street lights, floodlights, and more, all meticulously crafted to meet and exceed the stringent standards set by esteemed organizations such as BIS, MNRE, and IEC.

Backed by a robust distribution network, Pronext extends its reach to over 2,000 delighted customers spanning major Indian towns. With an impressive track record of over 15,000 successful installations, Pronext is committed to delivering excellence and unparalleled customer service nationwide. Experience the brilliance of Pronext's Inspira series and illuminate your world with confidence and reliability.

Why Choose Us:

- **Quality**
- **Integrity**
- **Technology**
- **Notable Accreditations**
- **ESG & Sustainability**
- **Humanity Ahead**

CORE AREAS

Problem faced by Women:

- Genital rashes
- Compromised reproductive health
- Increased risk of cervical cancer
- Elevated susceptibility to urinary tract infections
- Fungal infections

Need:

- Leak-proof and chemical-free - completely safe
- Promotes hygiene and prevents UTIs
- Recommended pad change every 5-6 hours
- Superior absorption and comfort
- Maintains ideal pH balance
- Guards against vaginal infections

Advantages:

- Lower health risks compared to tampons
- Suitable for wear before your period starts
- Effective for light flow
- Safe for overnight wear
- Simpler to use than tampons
- Preferred for external use
- Facilitates easier flow monitoring
- Does not exacerbate menstrual cramps

Where to use:

- Schools and Colleges
- Girls Hostels and PG's
- Hospitals
- Corporate Offices
- Shopping malls
- Bus stands
- Railway stations
- Airports

VENDING MACHINE

Sanitary Napkin Vending Machine Inspira (25)

Capacity: Machine having 25 Pad Capacity

Dimensions: (L*H*D mm) 240 x 520 x 130

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 9kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

Sanitary Napkin Vending Machine Inspira (50)

Capacity: Machine having 50 Pad Capacity

Dimensions: (L*H*D mm) 240 x 830 x 130

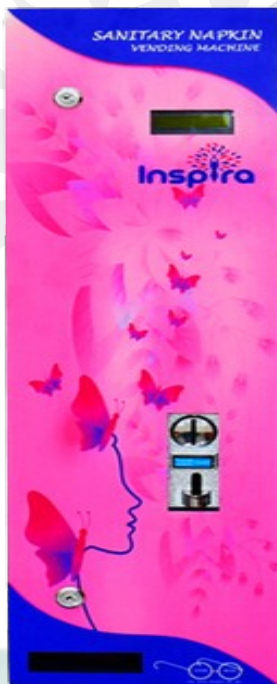

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 12kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

VENDING MACHINE

Sanitary Napkin Vending Machine Inspira (100)

Capacity: Machine having 100 Pad Capacity

Dimensions: (L*H*D mm) 350 x 830 x 140

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 15kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

Sanitary Napkin Vending Machine Inspira Premium

Capacity: Machine having 100 Pad Capacity

Dimensions: (L*H*D mm) 350 x 1260 x 135

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 20kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

VENDING MACHINE

Sanitary Napkin FreeVend Machine Inspira (50)

Capacity: Machine having 50 Pad Capacity

Dimensions: (L*H*D mm) 240 x 830 x 130

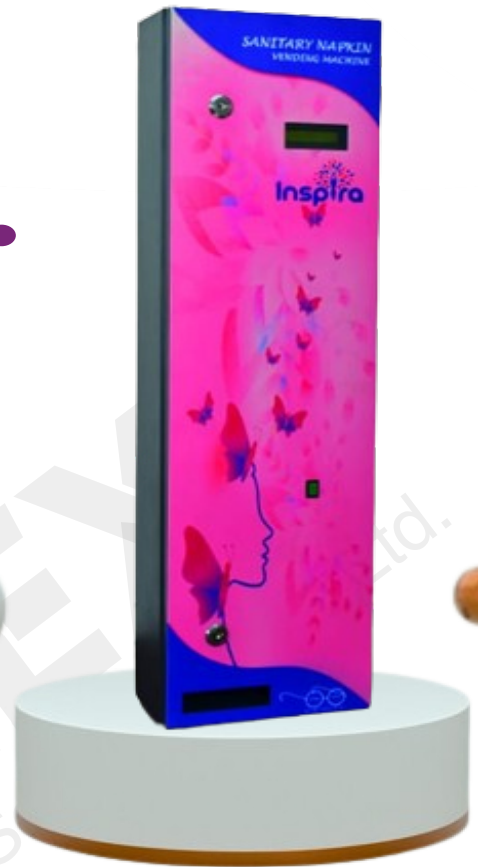

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 12kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

Cloth Bag's Vending Machine Inspira (50)

Capacity: Machine having 50 Bag's Capacity

Dimensions: (L*H*D mm) 260 x 1020 x 145

Low Power Consumption: 12Watt / 230v

Coin Selection: 1, 2, 5, 10 / Upi

Weight: 12kg

Construction: MS Powder Coated

Optional: Solar, Battery (lithium li-ion 4.4Ah)

INCINERATORS

Incinerator inspira 1

Capacity: Daily 300 pad at time 5

Dimensions: (L*H*D mm) 250 x 350 x 250

Power Consumption: 600Watt / 230v

Weight: 10kg

Incinerator inspira 2

Capacity: Daily 400 pad at time 7

Dimensions: (L*H*D mm) 255 x 455 x 255

Power Consumption: 800Watt / 230v

Weight: 12kg

Incinerator inspira 3

Capacity: Daily 1000 pad at time 25

Dimensions: (L*H*D mm) 320 x 650 x 250

Power Consumption: 1200Watt / 230v

Weight: 17kg

"Why Pronext ?"

- Eco – Friendly Machine
- Go Green concept
- 1year maintenance free
- Affordable and Easy to use
- Strong technical team
- Recommendation of Professional Doctors
