

**PRO-ORTHO<sup>TM</sup>**  
**PERFECT**  
INDIA PVT. LTD.

## Mission

We aim to render high-quality and affordable rehabilitation products and services to our patients and help them regain their physical capabilities and confidence.

## Vision

We envision adopting a holistic approach to treat people and make them mobile for life while continually developing the company and providing a custom solution.

## About The Founder

In 1979, Dr. Anant G Zodge founded the Perfect Surgical company, which was later converted into Pro-Ortho Perfect India Pvt Ltd in 2021. He received his Diploma in Prosthetics and Orthotics from the All India Institute of Physical Medicine and Rehabilitation, Bombay, in 1978. Later, he completed his Bachelor's degree in Prosthetics and Orthotics from Jagatguru Rambhadracharya Viklang University, Chitrakut (MP). He is an RCI licensed Orthotist and has worked with India's top hospitals. His single-minded purpose was to serve humanity and help people regain their lost mobility.

After seeing his brother be a polio patient, Dr. Anant was inspired to be a Prosthetist. He was awarded a lifetime achievement award in 2014 by OPAI Association Delhi for his contribution to the medical industry.

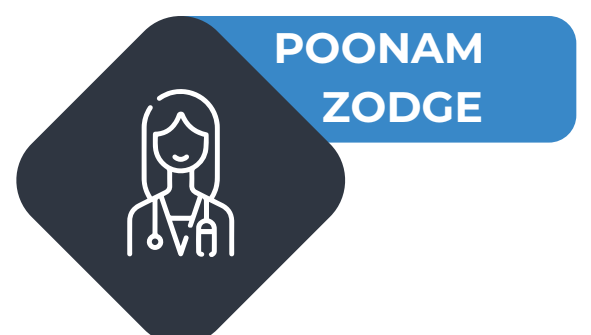

## About The Director

Dr. Akshay A Zodge is a certified RCI recognized Prosthetist and Orthotist. He has worked avidly in rehabilitation and healthcare management for over 12 years and received his Ph.D. Honorary Degree from Ballsbridge University UK. He initially took his training from the UK Blatchford organisation for a couple of years, where he handled advanced and High-Tech artificial limbs. In the later stages, he joined Pro-Ortho Perfect India as a senior Orthotist and Prosthetist.

Dr. Akshay is dedicated to providing patients with the highest quality customised products and personalised solutions that meet their specific needs. He has extensively worked in several social activities and holds a vital role in various NGOs.
