Just With Us*

[www.aarbaarMosquitonet.in](http://www.aarbaarMosquitonet.in)

## Aarpaar Mosquito Net

Mr. Amit Wankhede a young entrepreneur from Nagpur dreamt of providing healthy and insect free homes to the people of our country. This dream inspired him to start his own venture, "Aarpaar Mosquito Net" in the year 2014. This proprietary business started as a small unit in Pune, has now become a name synonymous with the idea of "Insect Free Homes".

We have fully equipped 3000 sq.ft factory having all the facilities in-house, from manufacturing to installation at the site. We are even planning to increase our manufacturing capacity very soon.

Our experienced production team always do their best to deliver the quality products to ensure insect free living.

Our in-house dedicated and expert installation team is always prepared for the installation anywhere, anytime, at any height and any location. We are proud to say that we are a ISO 9001:2015 company.

We offer 05 to 07 years of product warranty with life time free service. Our list of satisfied customers span across entire Maharashtra.
