ABOUT US

For years ABC Kitchen Equipment has been Serving the Hospitality Industry with pride and perfection. We undertake projects from planning of kitchens, to manufacturing and installation of foodservice equipment. Our team of engineers makes sure that each of our equipment is a pleasure to use for every chef. We also undertake customized fabrication of kitchen equipment. The company uses 18/8 stainless steel under the highest quality standard of manufacturing process. We represent leading international foodservice equipment companies like Comenda (ware washing equipment), Lainox (Combi 8 convection ovens), Animo (Coffee brewers Et Boilers), Sirman (Food processing machines), (Refrigerators) etc. Our complete range of products include cooking ranges, bulk cooking systems, combi ovens and steamers, exhaust systems, refrigeration units, bain maire, plate dispensers, dish washing machines, baking ovens, mixers, milk 8 water boilers, sandwich grillers, coffee machine etc. Our range of Indian Et imported food service equipment provide one stop solution for all kitchen requirements. Our quick response after sale service is up to the highest level of satisfaction.
