About Us

- City Drug House Exporters is a rapidly growing pharmaceutical wholesaler and trader, committed to delivering high-quality healthcare solutions.
- Specializing in a wide range of pharmaceutical tablets, injections, and many medicines, the company plays a vital role in supporting hospitals, pharmacies, and healthcare providers with reliable and timely supply.
- Countries like India are major exporters, known for producing affordable generic medicines worldwide.
- These exporters contribute significantly to global healthcare by improving availability and reducing treatment costs.

Our Objectives :

- Ensure the global supply of safe, effective, and high-quality medicines.
- Expand market reach by entering new countries and strengthening distribution networks.
- Provide cost-effective drugs, especially generic medicines, to improve healthcare accessibility.

Value with Passion :

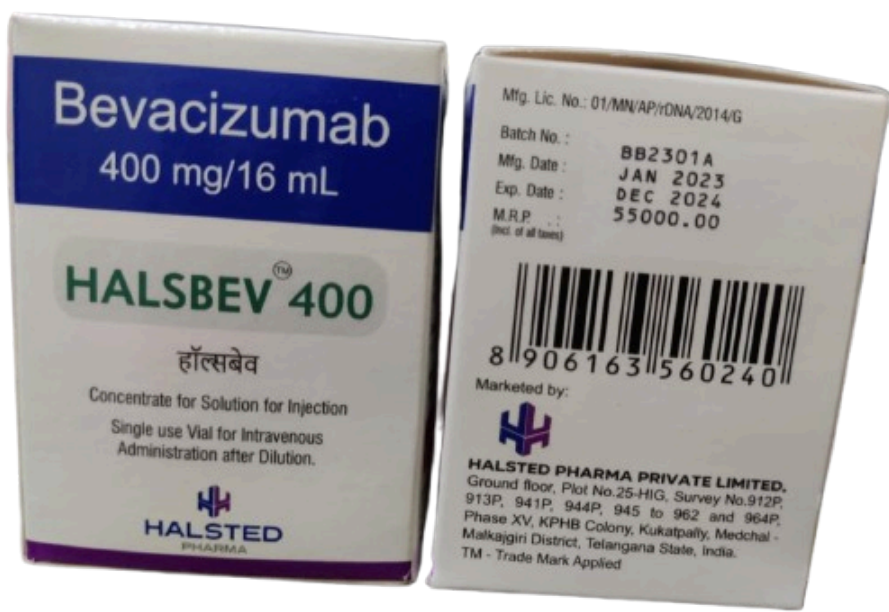

- It is what encourages us to continuously look for fresh and creative methods to enhance the lives of everyone we come into contact with, be it our community, our staff, or patients and their families.

Additionally, City Drug House Exporters is dedicated to offering patients and their families helpful services and assistance.

City Drug works its operations on :

- **Anti-Cancer**
- **Cardiac**
- **Immunology**
- **Anti-human T-lymphocyte immunoglobulin**
- **Assisted Reproductive Technology**
- **Antidote (Injectables)**
- **NSAID'S**
- **Pulmonary Surfactant**
