COMPANY VISION

ABOUT US: - Global Power Technologies was started with the objective to innovate, constantly improve, and deliver a range of electronic products like power inverter, UPS power system, Batteries, PAC, Transformers etc. that deliver greater productivity and higher value to our customers while increasing its business opportunities. We are one of the leading supplier in power inverter, UPS power system, Batteries, PAC, Transformers.

PRODUCTS & SERVICES

1. *BATTERIES*
2. *BATTERY CHARGERS*
3. *ONLINE UPS*
4. *UPS AMC*
5. *UPS rental*
6. *Thermal Management Solutions*
7. *Servo & Isolation Transformers*
8. *Smart Server Racks*
9. *Active Harmonic filters*
10. *BESS (Battery Energy Storage System)*
11. *Electrical & Panel work*
12. *Thermography*
13. *Battery IR testing*
14. *Power Quality audit*
15. *Solar inverters*

BRANDS WE DEALS

Batteries

AMARON
QUANTA
UNINTERRUPTED LIFE

FORKLIFT & STACKER & GOLF KART BATTERY

BATTERY CHARGERS

INDUSTRIAL & COMMERCIAL ONLINE UPS SALES & SERVICES SUPPLY

ANYTIME, ANYWHERE

UPS Rental Service

GET A CUSTOMIZED RENTED UPS SYSTEMS FROM 10 KVA TO 10 MW

THERMAL COOLING-PAC

Servo Stabilizers/ Transformer:

Smart Server Racks

AHF(Active Harmonic Filter)

BESS (Battery Energy Storage System)

Electrical & Panel work

Power Quality Audit

Thermography

Battery IR testing

SOLAR INVERTER SYSTEM
