### Business Profile

Nature of Business

**Manufacturing / Trading / Export**

Mode of Business

**Manufacturing, Trading & Export of  
Plastic Caps, Plastic Closures and  
Buckets for packaging**

Experience

**38 years**

We are the leading Manufacturers, Suppliers and Exporters of Plastic Caps, Plastic Closures and Buckets for packaging. We have a well-equipped infrastructure with all modern facilities thus keeping pace with the requirements of all the segments of society. We are determined and we put all our efforts to meet the creeping and trending demands consistent with changes in technology.

The company is recognized for its dynamic decisions through skilled management to stand all odds of the competitive environment. Moreover, the company is flexible to adapt policies and frame regulations as per industry standards.

We have state-of-the-art in house tooling facility which enables us to make world class moulds in caps and closures as well as hdpe and pet bottles.

## **INFRASTRUCTURE**

Our state-of-the-art infrastructure holds all the advanced R&D and testing facilities with clean room environment in an area of over 26000 square feet. Such an infrastructure empowers quality production well within time thus producing around 9-10 million units per month.

## **OUR STRENGTH**

We believe that without the consistent efforts of our team, there is null possibility of the company meeting commitments and reaching great heights and thus our team is our strength. Our expert professionals never fall short in achieving targets thus sustaining our valued clients. The company hires each and every individual as per merit which enables us maintain the strong foundation.

## **TEAM CATEGORIZATION**

- Product Designers
- Mold workshop
- Production Engineers
- Quality inspectors
- Supply Chain

## **THE TRUST FACTOR**

Quality, timely delivery and customer satisfaction are the key towards all the trust that our customers have for us. We provide complete customization which helps us make customers' first choice. Also, we are the only leaders in market providing more than 200 kinds of plastic caps. We work hard day in and day out to fulfill all the specific requirements of our valued clients with all the possible ways we can.

## **KEY CUSTOMERS**

- Godrej Consumer Ltd
- Fena Ltd
- Bajaj Food Ltd
- Jyothy Laboratories Ltd
- Shreno Ltd
- Pooja Glass Pvt Ltd
- Mazda Ltd (Food Division)
