DIAMOND ENGINEERING WORKS

An ISO certified company

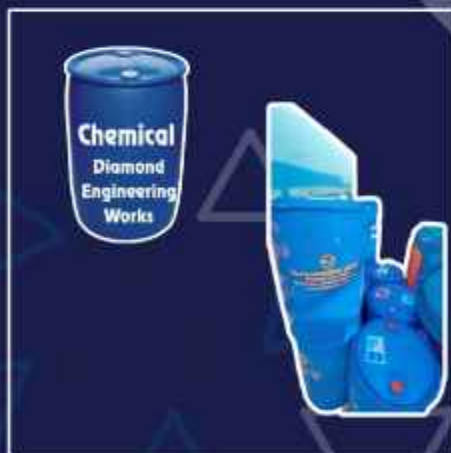

9001-2015

100% TRUSTED

ABOUT US

We **Diamond Engineering Works** is a firm engaged in Manufacturing, Trading and Service Provider of premium quality products such as Paver Mould, Tile Making Machine, Tile Mould, Pan Mixer Machine, Concrete Mixer Machine And Much More. Apart from this we're also providing Brick Making Machine Repairing Service. Our company has a sound understanding of the market and hence in a position to satisfactorily serve the market requirements. We have a team of highly experienced and skilled workers who are specialists in their work.

Established in the year **2008**, our company has a sound understanding of the market and hence in a position to satisfactorily serve the market requirements. We have a team of highly experienced and skilled workers who are specialists in their work. Devoted to their work, our team members are playing a vital role in the production and delivery of high quality products.

Under the leadership of "**Mr. Mumtaz Ahmad**" we have managed several benchmarks of success. In addition, his progressive business approach has helped the company to muster a large clientele across the market.
