

DREVA[®]

DESIGN. CREATE. INTEGRATE

Welcome to **DREVA**

DREVA is a premier, Pune-based interior design and turnkey contracting firm dedicated to transforming architectural shells into sophisticated, high-performance environments. Our Company has built a reputation for excellence through landmark projects at prestigious locations such as Trump Towers, World Trade Centre (WTC), and Eon IT Park. We specialize in a seamless blend of Modern and Neoclassical aesthetics, ensuring that every space we design—whether a luxury residence or a corporate headquarters—is a perfect harmony of timeless elegance and contemporary functionality.

What sets **DREVA** apart is our comprehensive, turnkey approach that bridges the gap between visionary design and rigorous civil execution. Unlike traditional design firms, we provide a single point of accountability for the entire construction lifecycle, including professional brickwork, specialized plumbing, electrical infrastructure, and high-end false ceiling installations. From precision-engineered modular furniture to bespoke carpentry and professional painting finishes, our in-house team manages every technical detail with absolute transparency.

Vision and Mission

VISION

To be the most trusted name in turnkey interior solutions across India, recognized for redefining the standards of structural integrity and aesthetic luxury. We envision a future where every space we build—whether a home or a corporate landmark—stands as a timeless testament to superior craftsmanship and innovative engineering.

MISSION

To provide a seamless turnkey experience by merging high-end design with uncompromising civil engineering and premium craftsmanship.

Our Goals

1

Deliver high-quality, functional interior designs that blend modern aesthetics with client needs.

2

Establish DREVA as premier turnkey contractor through transparent and timely execution.

3

Expand our portfolio by securing large-scale commercial and residential interior design projects.
