ABOUT US:-

Global Engineers Fabricators is a Pune-based fabrication industry leader that has been providing customized solutions since 2015. Our initial focus on M.S manufacturing including M.S & S.S Tables, Metal Partitions Structural Fabrication, Industrial Shed, Gate, Staircase, Railing, Hoarding, Dining Tables, Structural Chairs & Structural sofa quickly evolved through innovative engineering to cover all categories of structural, Mild Steel and Stainless-Steel Fabrication. Our success has been driven by a dedicated team of experts committed to delivering high-quality work on time. We pride ourselves on adhering to government regulations and industry standards while consistently delivering exceptional results through our unique vision and expertise in creating Products and fixtures with multiple purposes.

MISSION STATEMENT:-

Global Engineers Fabricators continues to take pride in working with new challenges and demonstrating high quality work. We strive to give our clients the best value for money, our costing fairly reflects our commitment to supply products manufactured with precision and as specified. We work with deadlines to ensure the project is ready on time and within required budget.

VALUE TO GUIDE US:-

Innovation- It is our consistent endeavour to be ahead in the market and costumer expectations.

Inspired Workforce- Our people are what makes Om Engineers a force in its category. Their training, skill upgrades and welfare is our top priority.

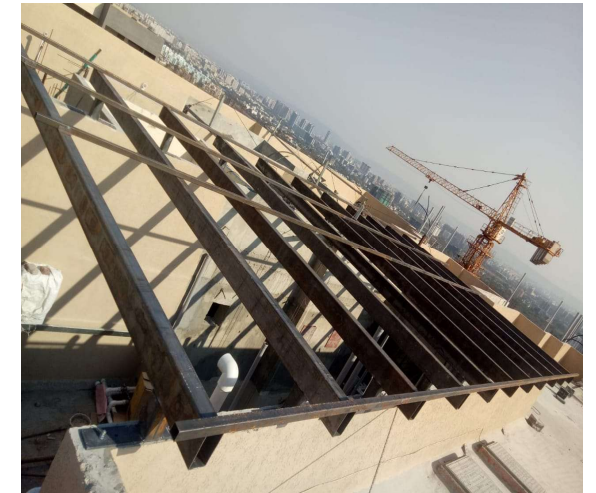

Quality focus- We strive to achieve quality at every step either it is pre-sales, manufacturing or post sales.
