About Our Company

FK Rolling Shutter is a trusted manufacturer and supplier of rolling shutters based in Sector 9, Noida, proudly serving customers across Noida and the Delhi NCR region. We specialise in the design, fabrication, and installation of manual, motorized, and industrial-grade rolling shutters built for durability, security, and smooth day-to-day performance.

From residential shops and warehouses to factories and commercial complexes, our team delivers custom rolling shutter solutions backed by quality materials, precision engineering, and dependable after-sales support — including installation, repair, maintenance, and Annual Maintenance Contracts (AMC).

Why Choose FK Rolling Shutter
