ABOUT IITE:

IITE

Shruthi (A1 Level) Mob: 97391xxx54.

"I joined for A1 level in German Language; IITE is dedicated and devoted towards teaching. Very good in coaching, good patience and always ensures we are clear about the topic. He is a kind and talented teacher, who makes me to expert in language and he was totally responsible for my success in the A1 Examination". His passion towards teaching, his methodology based on the student's capacity and his desire to spread knowledge are some of the qualities I experienced during my learning period in IITE, School of Professional Foreign Languages. Thanks IITE.

Priya (A2 Level) Mob: 99025xxx24.

"With just less than a months' time for me to learn German, I could not have asked for a better institute than IITE. The trainer understood clearly what my needs were and taught me accordingly. The 2 hours every day I spent with him was the most productive and with his thorough notes and clear mode of content and communication, I am able to communicate in language very fluently.

Dr. Janarthanan (B2 Level) Mob: 97402xxx50.

"The hospitality and response from the institute is excellent. I am learning German Language B2 level here. I had done my A1, A2 and B1 levels of German language in two different institutes, now B2 here in IITE; among these I find IITE is the best. My German teacher here teaches in a simple and interesting way, so that I find no difficulties in learning the language. Key factor is, he is making the grammatical part so simple to understand. Also he and all others in IITE are very much dedicated in their work. Now I am confident that I will attain my target. Great going IITE, Continue your good work!"

Sridhar (A1 & A2 Level) Mob: 85536xxx82.

"He is one of those rare teachers that are genuinely interested in truly educating their student and being a native speaker of French Language, he is very studious in teaching us. He is great to talk, is extremely intelligent and knows the methodology of French Language to make us excellent. He is very welcoming and puts you completely at ease so you are best to gain all the knowledge you can. I highly recommend him at IITE, you will not be disappointed".

Mahesh (B1 Level) Mob: 98457xxx43.

"He makes learning fun and learning a new language doesn't feel difficult under him. He is passionate about teaching French and that makes it even better learning from him. If the ward's foundation isn't strong he starts from the basics. I enjoy his Crash-Course methodology very much. I look forward to continue their best efforts. Thanks IITE.

Summer Camp: (Rohan)

"We strongly recommend IITE as a BEST and DEDICATED learning center for children like us to experience with a new language. His level of motivation is very inspiring; also we have more fun in learning while he teaches". We enjoyed singing songs and playing games in foreign language. Most importantly the teacher used multi-media presentation in the class to simplify the language (Grammar parts). We talked simple conversations with our parents and they were afraid of our language skills.

Charan (N5 Level)

"The things I like most about IITE are their Enthusiasm, Patience and Commitment towards teaching the language. I wanted to attend a Japanese course which would give me an understanding of the basics of the language rather than fast learning methods and his classes are just perfect for me. Another aspect that I like his willingness to go the extra mile to have supplementary sessions (for JLPT Exams) even after completing the course content. His enthusiasm is inspiring! I would really recommend IITE to those who genuinely want to learn language and you won't be disappointed. I wish IITE all the best and keep up the good service.

Madhu (N5 Level)

"I have been learning Japanese from IITE for last two months. The process, books and methods chosen by IITE made the language very easy and interesting for me. His passion to teach and make students experts in Japanese is admirable. He gives attention to each of the students with speaking, learning and writing. He is committed to make the student learn the language and not just finish off the course.

Mihir (A1 Level)

"I don't know where to start from..... IITE is an amazing center. The way they analyze you and start matching up to your level and no sooner you are like literally speaking Spanish. If you attend at least one of his classes to fall in love with foreign languages and not to forget you'd surely fall for his talent too. ALL THE BEST IITE".

Arjun (A1 Level)

"When I joined the class I was not sure if I will ever learn Chinese and how many lessons I will be able to complete but with the great support and efforts from Pradhan. The course structure was very planned and organized. He even taught me many things out of the book which are related to daily life and Chinese culture. All the course material was provided to me. He explained everything with the help of examples which I could easily co-relate and remember. Last but not the least I congratulate IITE for its best effort to make the students fluent in the language.

Santhosh (Business English)

"Thanks to Sanjay, I am able to think the right way in my corporate career. He is awesome, he is the best teacher and mentor one can have while start or in mid of the career. He is motivating and can fetch the best out of you. He has vast experience and ultimate & specific answers for ambiguous situations and problems. He will find out the areas on concern and actual problems and help you to solve them. He helped me to clarify my doubts in between the class and hence, he gave me ideas to start the career and it actually worked for me. I am thankful to IITE, as I got my first job at HP, because of IITE. Thank you so much".
