COMPANY PROFILE

1. CORPORATE OVERVIEW

Heritage Projects & Consultant (HPC) is a premier architecture-based construction firm located in Jaipur, Rajasthan. With over 10 years of business excellence, HPC has successfully delivered 200+ projects ranging from luxury residential villas to modern commercial hubs.

- **Lead By:** Surendra Kumawat
- **Core Philosophy:** Combining modern aesthetics with structural safety, Vastu compliance, and sustainable building practices.

2. CORE SERVICES

HPC provides comprehensive **Turnkey Solutions**, managing every phase of a project from concept to delivery.

- **Architecture & Planning:** Precise floor plans, 3D elevations, and structural drawings.
- **Civil Construction:** High-quality execution for houses, farmhouses, and corporate buildings.
- **Interior Design:** Tailored solutions for modular kitchens, ceiling designs, and commercial layouts.
- **Project Management:** Expert oversight ensuring projects stay on budget and meet strict deadlines.
- **Surveying:** Use of advanced tech like DGPS and T.S. machine surveys for site accuracy.
