BRIEF INTRODUCTION

Dear Sir/Madam

The company is headquartered in Mumbai and is a market leader in the piping and related products segment under the INNOVATIVE CORPORATION brand name. IC was established in 1985 in Mumbai. Which offers a wide range of stainless steel products for the food processing, beverage, dairy, brewing, cosmetic, pharmaceutical and chemical industries. Today, we cater to the needs of millions of homes. INNOVATIVE CORPORATION Pipes has management and industrial skills, ranging from basic pipe connections and excellent contracts for large construction projects.

As a manufacturer of INNOVATIVE CORPORATION of Stainless Steel Sanitary Valves, Fittings, Tubing, we manufacture and supply the widest line of Stainless Steel Sanitary Valves, Fittings, Tubing. We are a company aimed at developing and improving hygiene equipment for the dairy, food, cosmetic, beverage, beverage and pharmaceutical industries. To enhance brand equity in all parts of India, we are constantly expanding our distribution and service network across India. We are also dedicated to increasing the value and efficiency of our excellent products and services to meet the needs of a constantly changing consumer market.

INNOVATIVE CORPORATION, is a global sanitary valve manufacturer and supplier, we manufacture and supply complete lines of stainless steel sanitary valves, fittings, Tubing, our products are precision made of 304 and 316L stainless steel, it is corrosion resistant, highly food processing, beverage, Valves with various end additions are available in the liquor, cosmetics, pharmaceutical and chemical industries, such as hygienic conditions, hygiene tri-clamps, butt-welds, sanitary threads. Efficient and reliable production flow is critical to the sanitary process and sanitary valves and valve automation have a significant impact on performance and profitability. ASME standards, our best solutions provide optimal flow throughout your process so that you get the most out of your raw materials.

INNOVATIVE CORPORATION is one of the established name in the Domestic as well as in the International Market, We are one of the leading Manufacturers, Exporters, Importers & Stockholders of all kind of Ferrous & Non-Ferrous Metals like Stainless Steel, Carbon Steel, Alloy Steel, Aluminium, Copper, Brass, Nickel, Alloy etc. Also, We are the Manufacturer of All types of Flanges Widely used in various core Industries. INNOVATIVE CORPORATION is also approved by all the global industries and has contract with various mills all over the world. Today with our excellent contacts with manufacturers world over, we can import any type of steel materials from various countries according to customers requirements. KAMAL METAL INDUSTRIES has never left no stone unturned in widening its horizons, keeping in mind the increasing demand of raw materials it has laid special emphasis on exporting its products. Our commitment is always provide right product at the right price.

Quality Products.... for Quality Projects...

Thanking you.
