Rise when the rest have called it a day.

Ride away

For the ones with stars in their eyes,

don't fear being led by the moonlight.

Chase the shadows.

Embrace the dark.

Stroll when

others are busy scrolling.

Light-up when others declare lights-out.

Spook the urban zombies.

Explore the city

when it lets its guard down.

Binge watch the stars.

Dream under the skies.

Merge with the night.

And when the dawn breaks,

wake up the alarm clock.
