Meet the Owner

Pranay Jaiswal

Business Owner

Hello, my name is Pranay Jaiswal. With a background in mechanical engineering and over ten years of experience in the hardware industry and family business in liquor, I bring a wealth of expertise in product design, plastic molding, and aesthetics. Currently, I own and operate a thriving bathroom fittings business, featuring multiple showrooms. My engineering background and business acumen have enabled me to provide and offer high-quality, innovative bathroom fittings that meet our customers' needs and preferences. I'm excited to continue growing and evolving in this industry, providing exceptional products and service.
