We Promise, We Deliver.

Neptune Marketing started its journey from a small shop in the local electrical market located at Gandhi Road in Ahmedabad city in Gujarat. Though the company started small, Mr. Jayant Chitalia, the founder of Neptune Marketing had far-fetched vision and big plans for the company. Mr Jayant Chitalia envisioned, much ahead of his time, the need of a trusted and reliable supply chain partner in the industry and founded the company in 1997.

Serving our clients from over 25 years, we are one of the most trusted partners for your supply chain. Innovative and high tech products which are best in class coupled with 100% customer satisfaction is what has set up apart from competition and helped us scale new heights of success.

We believe in the motto of 'Let's Grow Together' and we have a reputation of delivering products On Time - Every Time, no matter what the location!

Meet The Team

Mr. Jayant Chitalia (Founder & Managing Partner)

A Civil Engineer from Bhagubhai Polytechnic College in Mumbai, he served as a Deputy General Manager for Asian Electronics Ltd for almost a decade before he decided to start his entrepreneurial journey. Having founded the company and strengthening its base Mr. Jayant Chitalia now handles the company's finance, taxation and compliance, also providing his undivided attention for his vision & growth of the company.

Mr. Jubin Chitalia (Managing Partner & Director of Sales and Marketing)

With his dedication and ultimate goal to make his father's dream come true and to take the company to new heights, Mr. Jubin Chitalia took the realms of the company in his hand in 2011 after successfully completing his Diploma in Family Business Management from the renowned Entrepreneurship Development Institute (EDII) in Gandhinagar, Gujarat. His presence and leadership has been instrumental in overall operations, sales and marketing of the business while eager to explore new venues of business and expanding the company into new markets.
