

NEEL GUARD™
Aqua System
Water • Wastewater • Innovation

Water & Waste Water Treatment Plant Manufacturer

Welcome To Neel Guard Aqua Systems

Incepted in the year 2011 at New Delhi, (Delhi, India), we "Neel Guard Aqua Systems" offers the best-in-class Purification Systems for a wide range of applications. With over two decades of experience, we are now an accomplished supplier of Water Purification Systems throughout India.

As a leading Water Treatment Plant Manufacturer in Delhi, Neel Guard Aqua System (NGAS) specializes in designing and delivering customized purification solutions. From reverse osmosis (RO) systems to effluent treatment plants (ETP) and sewage treatment plants (STP), our cutting-edge technology ensures efficient water treatment for industries, residential complexes, and commercial establishments. With a commitment to quality, performance, and customer satisfaction, we strive to deliver cost-effective water solutions that meet the unique requirements of each project and contribute to a cleaner and healthier environment.

Our Wide Product Range

SS 304 DM Plant

Industrial RO Plant

STP Plant

FRP RO Plant

**Ultra Filtration
'Plant' (UF Plant)**

ETP Plant

**Industrial
Softener Plant**

SS/FRP RO Plant

Industry We Cover

Neel Guard Aqua Systems is a company which is maintaining a high standard of quality and after-sales services. We can design, manufacture and install customized systems to meet our clients' requirements. Explore our applications of WTP/WWTP/ETP/STP.

DESIGN, ENGINEERING, AND INSTALLATION OF WATER & WASTEWATER TREATMENT PLANTS

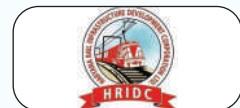

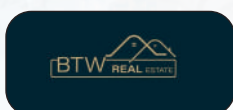

Working as a major manufacturer and supplier of Effluent Treatment Plant (ETP), Sewage Treatment Plants (STP) and Water Treatment Plant (WTP); Neel Guard offer treatments that are mounted on trustworthy equipment, outstanding performance and longevity

Our designs and services are custom-made for each project and well-equipped to tackle any challenge. Along with this, the up-gradation of the existing system for efficient working is also aided by us
