

Rawat Premium Commercial Oil Seeds Press Machine – High-Yield Cold Press Oil Extractor

About Product

The Rawat Oil Seeds Press Machine is an industrial-strength, high-efficiency oil extraction solution designed for commercial oil mills, organic shops, small food processing units, and agro-enterprises. Engineered with an advanced, heavy-duty screw pressing mechanism, it

extracts 100% pure, natural, and nutrient-dense oil from a vast array of seeds using the highly preferred cold-press method. With its rugged construction, continuous-run capability, and automated operation, it provides maximum oil yield per batch, delivering completely dry cake discharge and helping businesses supply fresh, chemical-free, and premium quality cooking oils.

Core Highlights

- Made In India
 - High oil extraction yield □ engineered to extract maximum oil content with completely compressed, dry cake discharge
 - Healthy cold-press technology operates at controlled temperatures to preserve natural nutrients, rich aroma, and authentic oil flavors
 - Exceptional multi-seed versatility □ effortlessly processes mustard, sesame, peanuts, groundnuts, coconut, sunflower seeds, flaxseed, and more
 - Heavy-duty, high-torque industrial motor and gear assembly built for continuous, smooth daily commercial workloads
 - Full premium food-safe Stainless Steel exterior construction ensures ultimate hygiene, rust resistance, and fast cleanup
 - User-friendly automated operation features a smart control system that minimizes manual supervision and labor costs
-

⚙️ Technical Specifications

- Brand: Rawat
- Product Type: Commercial Oil Seeds Press Machine / Expeller
- Operation: Fully Automatic / Electric
- Material: Food-Grade Stainless Steel (SS Body & Pressing Assembly)
- Voltage: 220 V / 380 V (Standard options available)
- Phase: Single Phase / Three Phase options
- Frequency: 50 Hz
- Extraction Method: Cold Press / Heavy-Duty Screw Pressing
- Suitable For: Mustard, Groundnut, Sesame, Coconut, Almond, Flaxseed, Sunflower, etc.
- Core Components: Industrial Worm Screw, High-Grade Squeezing Chamber, Heating Element (for starting assistance)
- Country of Origin: India

Why Choose Rawat ?

- Drives high commercial profitability by delivering excellent oil extraction efficiency and maximizing output from raw materials
- Supplies 100% pure, unadulterated, and high-value cooking oils that satisfy the growing market demand for organic food items
- Rugged, low-maintenance mechanical build guarantees a dependable return on investment with minimal downtime during peak seasons
- Energy-efficient engineering ensures high production throughput while keeping commercial electricity expenses low
- Complete operational peace of mind backed by Rawat's professional after-sales support, technical guidance, and ready spare parts availability

- Proudly Made in India, heavy-engineered to easily withstand the high workloads and strict standards of regional oil processing industries
