

Rawat Premium Electric Ice Crusher Machine – 250W Heavy-Duty

About Product

The Rawat Electric Ice Crusher Machine (SKU-0103) is a high-speed, commercial-grade ice shaver designed to streamline cold beverage and dessert preparation. Powered by an efficient 250W electric motor, this heavy-duty machine delivers a massive crushing capacity of up to 70 kg per hour, effortlessly transforming hard ice cubes into soft, fine, and fluffy

snow. It is the absolute ultimate choice for juice centers, fast-food cafes, mocktail bars, ice gola stalls, street food vendors, and catering businesses looking to keep up with high customer demand during peak summer hours.

Core Highlights

- Made In India
 - High production output capable of processing up to 70 kg of crushed ice per hour for fast-paced service
 - Driven by a reliable, energy-efficient 250W motor built to handle continuous daily commercial runs
 - Premium sharp stainless steel blades slice through ice instantly with zero mechanical strain
 - Equipped with a safe dual-cover micro-switch system that automatically stops the blades when the handle is raised
 - Rust-proof, food-grade structural construction ensures maximum hygiene and long-term service life
 - Sleek, compact tabletop layout fits neatly onto busy counters, beverage stations, or outdoor catering stalls
-

⚙️ Technical Specifications

- Brand: Rawat
- Product Type: Electric Ice Crusher / Shaver Machine
- Motor Power: 250 Watts

- Production Capacity: 70 Kg/hr
- Voltage: 220□240 V
- Phase: Single Phase, 50 Hz
- Blade Material: High-Grade Food-Safe Stainless Steel (SS)
- Safety Features: Automatic Handle Cut-Off Switch, Stable Rubber Base Feet
- Country of Origin: India

Why Choose Rawat ?

- Accelerates beverage service by shaving a hopper full of ice cubes into perfect snow in just a few seconds
- Delivers ultra-fine, uniform ice textures that absorb flavors beautifully for premium golases, slushies, and mocktails
- Smart safety micro-switches prevent accidental blade contact, ensuring absolute safety for kitchen staff
- Highly optimized 250W electrical engineering ensures high-velocity crushing with minimal power consumption
- Complete peace of mind backed by Rawat's dedicated customer support network and ready availability of spares
- Proudly Made in India, heavy-engineered to easily withstand the high workloads and intense demands of regional food and beverage setups
