

Rawat Premium Stainless Steel Sugarcane Juice Machine – Heavy-Duty Commercial Cold Press Crusher

About Product

The Rawat Stainless Steel Sugarcane Juice Machine (SKU-0008) is an industrial-strength, high-efficiency crushing solution engineered to deliver maximum juice extraction with ultimate hygiene. Constructed completely from premium-grade food stainless steel, this heavy-duty machine utilizes an advanced multi-roller gear mechanism to extract

100% of pure, refreshing juice in a single pass. It is the absolute ultimate choice for busy juice bars, premium restaurants, hotel buffet lines, organic cafes, highway stalls, and refreshment entrepreneurs looking to maximize profit margins, eliminate slow manual setups, and serve unadulterated cold-pressed juice instantly.

Core Highlights

- Made In India
 - Single-pass extraction technology crushes stalks completely in one go, delivering maximum juice yield with a totally dry cane discharge
 - Premium food-grade Stainless Steel construction provides absolute resistance to corrosion and ensures ultimate kitchen hygiene
 - Driven by a high-torque, heavy-duty commercial motor engineered for smooth, continuous daily workloads during peak summer rushes
 - Fully enclosed crushing chamber guarantees maximum operational safety for staff and keeps dust and insects out of the extraction line
 - High-precision internal gear assembly ensures quiet, vibration-free running performance on busy countertops
 - Streamlined mechanical design allows for effortless, rapid daily cleanup routines and hassle-free maintenance
-

⚙️ Technical Specifications

- Brand: Rawat
- SKU: SKU-0008

- Product Type: Commercial Stainless Steel Sugarcane Juicer
- Operation: Fully Automatic / Electric
- Material: High-Grade Food-Safe Stainless Steel (SS Body, Rollers & Juice Tray)
- Voltage: 220 V
- Phase: Single Phase, 50 Hz
- Extraction Mechanism: Heavy-Duty Multi-Roller System (Single-Pass Cold Press)
- Safety Features: Enclosed Safe-Feeding Chute, Emergency Stop Control
- Country of Origin: India

Why Choose Rawat ?

- Drives high commercial profitability by extracting every single drop of juice from raw materials, drastically lowering cane overhead costs
- Supplies 100% pure, unadulterated, and high-value natural beverages that appeal directly to modern, health-conscious consumers
- Premium all-stainless-steel build satisfies strict food safety protocols and easily withstands harsh daily washdowns
- Highly optimized electrical engineering delivers large-scale hourly processing volume while keeping power expenses remarkably low
- Total operational confidence backed by Rawat's professional after-sales support, technical guidance, and ready spare parts availability
- Proudly Made in India, heavy-engineered to easily withstand the high workloads, continuous runs, and rugged demands of regional commercial food setups
