GRAB THE SUN POWER

"In Technical Collaboration with Sun"

NATURAL DRYING
FOR A BRIGHTER,
FRAGRANT TOMORROW

Enclosed Solar Drying for High-Value Flower Products

SOLAR DRYING OF
Flowers

PRESERVE NATURE'S BEAUTY WITH CLEAN SOLAR ENERGY

Rudra Solar Dryer helps in hygienic and natural drying of flowers and petals using solar energy. It protects the colour, aroma and natural quality of flowers while reducing dependence on open sun drying.

- Hygienic & Protected Drying
- Uses Solar Energy
- Retains Colour & Natural Aroma
- Suitable for Commercial Use

Dry Naturally... Stay Pure... Add More Value

From Fresh Flowers to Endless Possibilities
