

Rice/Idli Steamer

Our Commercial Rice/Idli Steamer is designed for heavy-duty industrial and commercial kitchen operations. Made with high-grade stainless steel, this steamer ensures fast, uniform and hygienic steaming of Idli, Rice, Dhokla, Momos and various South Indian dishes. Its robust body, energy-efficient steaming system, and user-friendly controls make it ideal for continuous use in hotels, restaurants, canteens, and food production units.

Built for maximum productivity, the steamer maintains consistent temperature and steam pressure to deliver perfectly cooked batches every time. Easy to clean, durable, and safe—this unit is a reliable choice for bulk cooking needs.

Key Highlights

- **High-Quality Stainless Steel Body** – Rust-proof, durable & hygienic.
- **Fast & Even Steaming** – Designed for uniform heat distribution and quick cooking.
- **High Capacity Output** – Suitable for large batches of rice, idlis, and steamed dishes.
- **Energy-Efficient Heating System** – Saves power while delivering maximum performance.
- **User-Friendly Operation** – Simple controls, easy loading/unloading of trays.
- **Safe & Reliable** – Equipped with safety steam release valve & heat insulated handles.
- **Low Maintenance** – Easy to clean and long-lasting construction.
- **Ideal for Commercial Use** – Works continuously without overheating.

Technical Specification Gas Steamer

Model	Pressure	Type	Capacity	Water Pressure	Size	Price
Gas-24(304)	2.0Kpa	Liquefied Gas	4kg	20Kpa	1400*650*1650	Rs.299999
Gas-24(201)	2.0Kpa	Liquefied Gas	4kg	20Kpa	1400*650*1650	Rs.143000
Gas-12(201)	2.0Kpa	Liquefied Gas	4kg	20Kpa	680*650*1650	Rs.71500
Gas-08(201)	2.0Kpa	Liquefied Gas	4kg	20Kpa	680*650*1350	Rs.60500

Technical Specification Electric Steamer

Model	Voltage	Power	Material	Size	Price
Electric-24 Tray	380V	24Kw	INOX 304	1400*580*1490	Rs.220000
Electric-24 Tray	380V	24Kw	INOX 201	1400*580*1460	Rs.124500
Electric-12 Tray	380V	12Kw	INOX 201	680*580*1490	Rs.49000
Electric-08 Tray	380V	09Kw	INOX 201	680*580*1120	Rs.42000
Electric-04 Tray	220V	06Kw	INOX 201	680*580*950	Rs.36450

Applications

- Hotels & Restaurants
- Commercial Kitchens
- Canteens (School / College / Corporate)
- Industrial Mess & Hostels
- Caterers & Marriage Halls
- Food Processing Units
- Tiffin Service Kitchens
