ABOUT US

Steele Containers LLP stands as a trusted name in the Indian household goods industry, known for crafting innovative, reliable, and high-quality products that blend functionality with modern design. As a long-established manufacturer, Steele has built a strong foundation rooted in product excellence and customer satisfaction.

The company offers an expansive range of products that includes BPA-free, USDA-certified water bottles, airtight food storage solutions, kitchen organisers, and a wide range of kitchen utility items. These products are made using premium materials such as PET, PP, and Tritan, ensuring safety, durability, and long-term performance.

Steele's commitment to quality and innovation is reflected in every product—designed to meet the evolving needs of contemporary households while adhering to the highest standards of hygiene and sustainability. With a vision to become a globally respected brand, Steele continues to push boundaries in design and manufacturing, delivering everyday essentials that simplify and enhance modern living.

OUR PROMISES

Unmatched Quality

We adhere to the highest standards in our manufacturing process to ensure every product is crafted to perfection

01

100% Food Grade & BPA Free

Our customer's Health and safety are our top priorities. All our products are made from food grade PET material and are completely BPA free

02

Airtight & Leak-Proof

Our Containers are designed to keep your food and beverages fresh and secure with airtight and leakproof feature

03

Durable & Odourless

Built to withstand the test of time, our products are durable and odourless, ensuring a long-lasting and pleasant user experience
