If looking for best tour operators go for O2 Adventure without hesitating. Prasad and Chaitali who run O2 adventure are amazing and wonderful people. Their main aim is not business but client satisfaction their client should go back happily. Had joined their tour for Kedarnath, Tungnath and Badrinath, the experience which Prasad has of Uttarakhand makes your tour best. In budget of 3 star hotel they provide you with 4 star hotels wherever possible. During every breakfast/dinner or hotel check in Prasad asks everyone personally if everything is proper or not to make sure we are happy. Surely should try O2 adventure to get best experience for the tour. Thank you once again Prasad and Chaitali 🙏

This was my first trip with the o2 adventures, believe me or not I haven't had such fun in a long long time. Travelling with strangers might seem a bad idea in the beginning but all of it is worth it. The team aka Prasad and Chaitali are the sweetest, everything is taken care of, you should definitely choose them for a hassle free journey.

So it happened that we 4 girls decided to go on a Kedarnath trek and just randomly selected o2 adventures and now it has become our family. Best tour I have ever visited. Don't think twice before planning a trip with o2 adventures and make it memorable.
