COMFORT REDEFINED

Crafting Restful Nights for You

About Us

At Unique Mattress, we believe that quality sleep is the foundation of a healthy, productive life. With advanced sleep technology, ergonomic design, and premium materials, our mattresses and pillows are crafted to give you the perfect nights rest.

Experience mornings that feel lighter with a body and mind aligned in comfort. Each product is thoughtfully designed to balance comfort and support. Because when you sleep better, you truly live a better life.

Why Choose Us?

- **Orthopedic Support:** Designed to align the spine & relieve pressure points.
- **Breathable & Cooling:** Keeps you cool & comfortable all night.
- **Hypoallergenic:** Protects against dust mites & allergens.
- **Durability Guaranteed:** Built to last with long warranties.

Our Sleep Solutions

Comfort

Providing restful sleep so that your body can recharge.

Support

Designed to align and care for your spine daily.

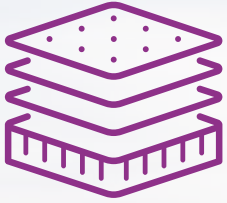

Durability

A long-lasting build to give you years of comfort.

Design

Crafted with elegance to suit every modern bedroom.

MATTRESS COLLECTION

1. ORTHOPEDIC INFINITI MEMORY FOAM

- Thickness: 6" / 8" options
- Core: High-density HR foam + Ortho Support Layer
- Firmness: Medium-Firm
- Cover: Breathable knitted fabric
- Warranty: 7 Years
- Best for people with back pain or posture issues.

Built with orthopedic foam layers and breathable fabric, it supports spinal alignment while ensuring cool, restful nights every single day

2. ERGOTECH ECOLATEX PLUS

- Thickness: 6" / 8" options
- Core: High-density EcoLatex foam + Ortho Support Layer
- Firmness: Medium-Firm
- Cover: Breathable knitted fabric
- Warranty: 7 Years
- Best for people with back pain or posture issues.

Built with eco-latex comfort layers and breathable fabric, it supports spinal alignment while ensuring cool, restful nights every single day.

3. FLEXAGON TRIFOLD PRO

- Thickness: 3" / 4" / 5" options
- Core: High-resilience tri-fold foam system
- Firmness: Medium
- Cover: Soft, breathable knitted fabric
- Warranty: 3 Years
- Best For: Compact spaces, portable use, guests, and multi-purpose rooms.

Designed with a flexible three-panel foldable system and supportive HR foam, it offers balanced comfort, portable convenience, and a refreshing sleep experience—anytime, anywhere.

4. FOLDABLE MATTRESS (JAPANESE TATAMI)

- Thickness: 4" / 6" options
- Core: High-resilience PU foam with tri-fold support segments
- Firmness: Medium
- Cover: Washable, soft-touch knitted fabric
- Warranty: 7 Years
- Portability: Easy-fold, travel-friendly design
- Best for compact homes, guests, and everyday multipurpose use.

Designed with high-resilience foam and a flexible tri-fold structure, this portable mattress offers everyday comfort while saving space — ideal for apartments, travel, and quick setup sleeping needs

5. DUO PLUS REBONDED

- Thickness: 6" / 8" options
- Core: Dual-layer rebonded foam + High-resilience comfort layer
- Firmness: Firm
- Cover: Durable knitted fabric
- Warranty: 15 Years
- Best for: People needing high support or firm sleeping surfaces.

Built with a supportive rebonded foam base and a comfort-enhancing top layer, it provides superior stability while ensuring long-lasting firmness for restful, balanced sleep every night.

6. LATEX HYBRID POCKET SPRING

- Thickness: 6" / 8" options
- Core: Natural latex layer + Individual pocket spring system
- Firmness: Medium
- Cover: Breathable knitted fabric
- Warranty: 7 Years
- Best for: People seeking pressure relief with gentle bounce and motion isolation.

Built with adaptive latex comfort and responsive pocket springs, it offers body-contouring support, reduced partner disturbance, and cool, cushioned comfort every night.
